Click on “Create a new user account”

Enter in your email address, and a password of your choosing (not your email password) and your name.

You will then be taken to the booking page:

There are 4 days available to book with 15 minute blocks available with 4 attendants. Simply click on a blank space at the time of your choice to make a booking. A box will appear and click on “Make a booking” A coloured square means that the attendant for that time is booked. Scroll down to show more times. A confirmation email will be sent to the email address you logged in as with the date and time of your booking. Your information is not visible to others. To delete or change your booking simply click on the booking and select delete.
