
PARENTS & FRIENDS' ASSOCIATION MEETING

Tuesday 10 October 2016

God of all Creation,
as the Padua College Community
celebrates its spirit,
give us the passion for living, learning and loving;
the Courage for daring and hoping,
for growing and changing;
the capacity for giving and receiving;
and the strength to live
the Franciscan values of courtesy, gentleness,
healing and peace.
This prayer we make through Christ our Lord.
Amen

Report

1. The Assisi Pilgrims have returned safe and well.
2. Last Friday's Celebration Day (60 years) went well. The boys certainly seemed to enjoy their time at Wet 'n Wild.
3. Although it is very early days, we are looking at expanding the footprint of the Tuckshop. Peter Elmore will be included in the decision making process.
