Dear Parents,

Welcome back to Term 3. By now, you will have received your son’s report and hopefully you have accessed the opportunity through Sharepoint to attend the Parent Teacher Interviews on Thursday evening and Friday. The opportunity for dialogue with teachers is important. It ensures that all stakeholders can understand where the students are at and how best to move forward, if indeed that is possible. With this knowledge, your son should be able to approach Semester 2 with confidence.

Over the holidays, two Open teams contested the Confraternity Shields. The Firsts won four out of their six games coming seventh in the top division. The Seconds won four of their six games coming third in the fourth division (twenty-sixth out of forty teams). The Seconds also were awarded the Spirit of the Confraternity Trophy. Both teams played well and with great sportsmanship. My thanks to their coaches, managers and trainers for providing the boys with this wonderful sporting opportunity.

Also during the holidays, there was another cultural tour to Japan. This tour was also very successful and I thank Ms Asmius for her hard work and dedication in organizing the tour and Ms Clapham and Mr Hardy for assisting on the tour. Opportunities, such as these holiday activities, form memories that will stay with the boys for the rest of their lives.

Last Tuesday evening at the Parents and Friends Meeting, it was decided that the P&F would pay for an evaporative air cooling system for La Cordelle. For the last six months Mr Franklin, Mr Keegan and myself have been investigating an effective, cost efficient means of cooling the hall in the peak summer months. We are grateful to the P&F for making funds available. The system should be installed during the September holidays and be ready for end of year functions, such as the Prize Night and Senior Graduation Dinner.

Third term is as busy as the first two terms. There are a number of significant events as well as important processes that occur for the various year levels. Please keep an eye on the College calendar, so that you are aware of these events and processes. I wish everyone well for a good term.

Pace e bene

FROM PASTORAL CARE TEAM

Welcome back to all families. I hope the break was enjoyable and all boys have returned refreshed for the start of Term 3. With this term broken by the Exhibition holiday, there is no doubt that all students will be kept busy with their studies, their co-curricular involvement and the diverse range of other activities occurring at Padua.

Bully Busters:
Tuesday of this week was this term’s Bully Buster’s day. In recognition of the ongoing significance of this issue, the House Guardians have launched a term long Bully Busters assignment to be completed in Pastoral Care Classes. Designed to raise continued awareness, instigate discussion and look at strategies for dealing with bullying, students are designing short films on Anti Bullying based topics. These videos will be presented on House assembly throughout the term.

To coincide with the launch of this awareness campaign, the Year 10s watched a presentation from Brainstorm Productions. The production titled ‘The Hurting Game,’ explored issues of peer pressure, power in-balances in relationships and cyber space relationships. The production was very informative and the boys thoroughly enjoyed it.

Year 10 Camp
On behalf of the Pastoral Care Team, I would like to wish all of the Year 10s the best of luck for an enjoyable camp next week. Venturing to the Sunshine Coast Hinterland and Noosa surrounds, the boys will tackle an ‘Eco Challenge.’ The boys will canoe, mountain bike, trek, rock climb, abseil and 4WD beach bus across 100km of terrain in their house groups. The camp is a unique and valuable holistic learning experience. We look forward to hearing the adventure stories from the students upon their return.

Absences and Lates
Over the holidays the House Guardians reviewed the number of absences and late days accrued by the students of their respective houses. I would like to remind families that unless there is a medical reason or extenuating circumstances, more than 10 absences in a year may be deemed as excessive. If your son has had more than 10 days absent this year, his PC teacher may contact you to discuss this matter in the coming weeks.

Ben Lowrie
Vice Rector Pastoral Care

Mitchell House Update

Mitchell has secured their first piece of silverware for the year with a convincing win in the Padua Dash. A strong contingent from the Primary set Mitchell up early and the secondary consolidated their lead with some impressive performances over the 1km circuit around the school grounds. A big thanks to all the runners Jake Brazel, Louis De Pasquale, Lawrence Garufi, Jack Taylor, Solon Avraam, Nick Stewart, Alex Porteous, Lachlan Fitzpatrick and Mr O’Driscoll. Mitchell look set for a great run home in the House championship as we defend our title in our beloved Athletics carnival up next.

Craig Nicholson
Mitchell House Guardian
There was an arresting article in the recent edition of *The Atlantic* (Vol.306 No 1). - “The end of Men: How women are taking control of everything.”

This article is in an American publication and written for and by people in the United States. It tells us that for the first time in U.S. history women have become the majority in the workforce, that most managers are now women, and that for every two men who obtain a university degree, three women do the same. It seems the day of the Marlboro Man, the master of the wild beast and the wild country is gone forever. The old model of the man- command and control is giving way to a new way of dealing with others. Programs now in U.S. business schools speak of sensitive leadership and social intelligence, including better reading of facial expressions and body language. It is about developing the ‘feminine’ side. Thinking and communication have come to eclipse physical strength and stamina as the keys to economic success.

For years, the article suggests, we have cast women’s progress as a struggle for equality. What appears to be happening is that equality is not the end point, rather that our postindustrial society is simply better suited to women.

The postindustrial economy is indifferent to men’s size and strength. The attributes that are most valuable today- social intelligence, open communication, the ability to sit still and focus- are, at a minimum not predominantly male.

I was with a Year 8 Religious Education class at the end of the term, and one boy asked, “Why do we need a Pope?” I replied in part, that an organization like the Catholic Church needs someone in charge. We moved onto the organization of the family, and I asked who is “the Pope” in your family? About 96% replied that it was their mother!

Fr John

**FROM AFTER SCHOOL CARE**

After School Care is operating all day for this week’s Student Free Day on Friday 16 July.
FROM THE VICE RECTOR - FORMATION

Year 9 Spirit Days
As this Bulletin goes to press our Yr 9 students are experiencing the first of their two day annual Spirit Days. One day is being spent with Dave Jorna and his team ‘Project Hatch’ at the Lav Valla Centre, Paddington while the other day will be hiking around parts of Mt Cootha near J.C Slaughter Falls with Damon Joseph and his crew from Character Builders. Both days will challenge the boys physically, mentally and spiritually in many ways. Look out for the photos in the next Bulletin!

Padua Sleepover for Homelessness
Commencing at 5.00 pm on Thursday 29 July and concluding at 7.00 am Friday 30 July Padua will hold its first Sleepover for Homelessness. This event is not to be confused with the sleepovers you have at home, but it will try to bring the experience of what it is like to sleep ‘rough’ for a night in the open. Participants will listen to a guest speaker about the facts and figures of homelessness in Brisbane, eat a simple meal of soup and bread and milo and participate in constructing a shelter from cardboard before going to bed under the stars in the Lone Pine area. This event is being sponsored by the St Vincent de Paul Society Youth Conference. Parent Permission Forms can be collected from myself at anytime before the event.

Two Can Day
On Friday 30 July each boy is asked to bring to school two items of non-perishable food to donate to our local St Vinnies Conference. In exchange for this all students may wear casual dress on the day. This much needed food is handed out to those in our local community who are struggling to make ends meet at the moment. Just recently the local conference put out an urgent plea for food donations finding that their pantry was almost empty! Padua College donated several cartons of soups and tinned meals to tide them over until the cupboard could be replenished. Two Can Day is Padua’s ‘Act of Kindness’ event for Catholic Education Week.

Vivid Youth Gathering at Padua
Join us for the launch of our preparations for World Youth Day 2011. It is just over one year to go until World Youth Day 2011 in Madrid- Spain, and now is the time to start the journey to the largest youth event in the world. Come along to this evening which celebrates our faith with energetic music, inspiring testimonies, prayer and a powerful message of hope for young people aged 16 years and older.

At Vivid: WYD Launch participants will have the opportunity to experience Spanish culture, including Spanish music, dancing and food. Other highlights will include a Celebration of the Eucharist, information regarding World Youth Day pilgrimage options, testimonies from past WYD pilgrims, as well as music from NEDYM, and other local musicians.

Date: Saturday 21st August 2010
5.00 - 8.30pm (Doors open at 4.40pm)
Venue: Padua College, 80 Turner Road, Kedron
Cost: FREE ENTRY (an authentic Spanish meal will be available for a modest cost)
Register online at http://vividwydlaunch.eventbrite.com by Wednesday 18 August. Get in early, seats are limited! For more information, phone (07) 3109 6800. Bring your friends!
AIC TENNIS TRIALS

SECOND HAND CLOTHING

Second hand clothing submitted for sale must be in good condition – clean and wearable order. Blazers are to be dry cleaned and on hangers with tags attached.

Name and address should be on tags with all garments.

Clothing is kept for 12 months only and is then automatically given to the Missions.

Second hand clothing is only acceptable for sale once, and cannot be resold. Only Blazers are accepted for resale.

Items brought for resale will be given to the Missions and not sold via the Uniform Shop.

Track pants & spray jackets are no longer accepted for sale as second hand.

Cheryl Cacciola
Uniform Shop

FROM LEARNING & ENRICHMENT

Gifted and Talented Conference

The following students attended the Conference – Mark Boongalong, Korey Brennan – Sholtz, Justin Kennedy, Philip Innes, Benjamin Quetcher, Albert Tate, Tom Buckley, Callum O’Connor Cox. The boys were a credit to themselves and the College.

The following is a summary of the day by Korey Brennan-Scholz.

On the 24 May, eight Year 11 Paduans were invited to the Gifted and Talented conference at St. Rita’s, Clayfield. Guest speakers Julie Arliss and Jeffrey Hughes gave a university style lecture to a number of schools coming from as far as the Sunshine Coast. Julie informed us about perceptions of beauty, the possible invention of Mathematics and the intricacies of Nanotechnology... all before Morning Tea!

We resumed to a lecture conducted by Jeffrey on the relativity of time and space, which many people found difficult to get their heads around. One of the students when asked where they saw their past, replied "I don't get it, my past is in my brain", a comment we all found amusing.

We had lunch and came back for what I'm sure was everyone's favourite part of the day, Sex in the 21st Century. We finished the day with a debate on the touchy subject of if it is ever right to kill someone, which Julie won by a landslide. As we returned on the bus pondering reinforced nanotubes, our goals for the future, and of course sex, we all agreed it was a valuable experience that we would attend next year if given the chance.

Days of Excellence 2010

The following boys participated in the Days of Excellence Program - Jack Gurr, Jacob Dryer, Ian Parsons, James Pike and Joseph Garcia.

The boys’ comments about the day -

Jack – Genetic Engineering
"I thoroughly enjoyed the day. I got so much out of it."

Jacob - Japanese Immersion Day
"It was really good, great activities, challenging but fun."

Ian – Japanese Immersion Day
"It was good .It had great activities."

James – The Unreal World of the Surrealists
"It was very enjoyable, and a really good day."

Joseph – The Unreal World of the Surrealists
"Great day, had heaps of fun, learnt a lot."

The boys’ were excellent ambassadors for Padua. Well done.

Genevieve Macauley
Head of Learning Enrichment

BEFORE SCHOOL SUPERVISION
All parents please be aware that students on school property are supervised in both the Primary & Secondary from 8.00am only

ABSENTEE/SPORTING Fixture PHONE NUMBER
When advising of absences from school PLEASE phone the absentee line 3857 9900 & leave a message. This number is also to be used for info on school activities and sporting fixtures.

If weather is uncertain, by ringing this number after 7.30am on Saturday morning. You will be advised if sporting fixtures will be on or not.

Please collect a fridge magnet from the office if your family does not have one on display.

PADUA COLLEGE BUSINESS DIRECTORY

FEATURED BUSINESS OF THE WEEK

David Helfgott raises funds for Padua College students.

Australia’s world renowned pianist David Helfgott is stepping on stage to help Padua College students fulfil a grand vision. The piano genius, made famous to the broader public through the Oscar-winning movie Shine, is set to embark on a series of charity concerts in Queensland schools.

The concerts, backed by Ellaways Music, aim to raise enough money to provide a professional concert grand piano for each participating school.

Mr Helfgott’s illustrious career spans more than 40 years, littered with international tours and accolades including the New York Times’ Most Influential Classical Musician of the Year and a Billboard double of Classical Musician of the Year and Classical CD of the Year.

Padua College has two evening concerts on Wednesday 28th July and Monday 2nd August - with tickets on sale now.

To help promote the event, Ellaways Music can provide you with 6 double pass tickets for you to give away.

Members of the community can help their local school not only by purchasing tickets, but also through an Adopt a Key program, running in conjunction with the concert series. The program allows local music lovers to “adopt” one of 88 keys of a grand piano, with multiple sponsorship levels available providing individuals and business with both easy entry levels and extra benefits.

Alternatively purchase tickets at Ellaways, 315 & 337 Gympie Road, Kedron.
Contact: Michael or Michelle on 3359 8266 at Ellaways
CONFRATERNITY SHIELD

With a late cancellation by St. Patrick’s College Gympie, Padua at the 11th hour put in a Second’s team for the competition. With a couple of training sessions, and half a trial game, the boys surprised us all with some excellent play during the week. The constellation of stars that took to the field included one Year 9 (an outstanding performance from Jordan West), four Year 10 boys, with the remainder from Year 11 and nine Year 12 veterans.

The confraternity crowd always expects quality Rugby League from the Kedron boys, and they were not disappointed. The team executed their moves with discipline and determination. The attacks were well focused and their defense of near Anzac proportion.

It was a nervous start on the Monday morning with a loss to Gilroy Santa Maria of Ingham, then confident wins against Saint Thomas More College, two wins against Saint Edmund’s College II, and with victory over Ryan Catholic College, Townsville, we went into the semi-finals to be beaten by Blackheath-Thornburgh boys from Charters Towers.

The behaviour of the boys on and off the field was faultless, and they truly deserved to be presented with the “Spirit of Confraternity” award, as did Joel Tait in being awarded the “Team Player of the Carnival”.

Many thanks to the coaches Mr. Ben Lowrie and Mr. Robert Out, and managers Mr. Barry Keegan and Fr. John, as well as parents, Padua boys and former students for their support.
Kay Donnelly would like to say thank you for the beautiful meals, transport to and from schools for the boys during her recent illness. The Pastoral Care team and parents were fantastic in helping. Thank you to Ester Garufi for timetable, organisation and support for me and my family. Many thanks to Helen Ferguson for delivery of food. I feel totally blessed and such gratitude to all the busy mums who helped even though I know their lives are also so busy. It was a humbling experience.

All my love, Kay

Qantas Engineering is currently reviewing its apprenticeship requirements for 2011.

The Engineering Division of Qantas offers a variety of exciting indentured aircraft maintenance apprenticeships, with the opportunity to train and gain experience in a world class organisation and become an efficient and reliable tradesperson.

Apprenticeships may be offered at major facilities including the Mascot Jet Base in Sydney, Maintenance Facilities at Brisbane Airport and Tullamarine Jet Base in Melbourne. Other QantasLink locations often offer opportunities and these positions are advertised in local newspapers.

As an apprentice you would be employed under a Contract of Training with your relevant State Authority as you begin a career in the dynamic aviation industry.

Once your comprehensive training and apprenticeship is complete you’ll have the opportunity to choose from a number of options to expand your career horizons and work in the fields that interest you most. These include:

- Training to become a Licensed Maintenance Aircraft Engineer (LAME)
- Join our team of Professional Engineers through our Graduate Trainee Program
- Ascend through the ranks to become a Maintenance Supervisor
- Become part of the Management Team in Qantas Training's Engineering Technical Operations and Maintenance Division

If you are interested in an apprenticeship with Qantas you need to register your details ONLINE now.…

Follow the link for further info AND to register ONLINE.

Griffith University has changed its special entry requirements for the

- Bachelor of Medical Science (MBBS- Provisional entry for school-leavers)
- Bachelor of Oral Health in Dental Science
- Bachelor of Oral Health in Oral Health Therapy

Selection for these degrees is based on academic achievement (OP or ATAR) and applications for admission must be made through the Queensland Tertiary Admissions Centre (QTAC) or Universities Admissions Centre (UAC) in New South Wales.

Griffith no longer requires applicants to undertake the Undergraduate Medicine and Health Sciences Admissions Test (UMAT) or attend an interview.

PRAYER SUPPORTERS AND PRAYER INTENTIONS

**Prayer Supporters**
You are invited to add your heart and voice to this chorus of prayer, so that the fruits of Pray 2010 will flow into the ongoing life and mission of our local Church communities. Those attending Pray 2010 can contribute to this by taking some time to pray for a period of time in the onsite prayer room. If you are unable to attend Pray 2010 yet are open to become an offsite prayer supporter you are invited to register and commit to pray wherever you might be at times convenient to you.

**Prayer Intentions**
You are invited to identify Prayer Intentions for which you seek prayer. A list of these Prayer Intentions will be displayed on the wall of the onsite prayer room at Pray 2010 as well as on this website. Please visit the Pray2010 website and list your prayer intentions (20 word maximum).

**Vinnie’s & Padua Sleep Out**

29-30 July
@ Padua (Lone Pine)
Please contact Michael O’Brien for details
The 29th annual Tertiary Studies Expo (TSXPO) is the most comprehensive event of its kind in Australia. Students from years 10, 11 and 12 are invited to meet one-on-one and discuss their study, career and employment options with representatives from around 110 exhibitors including

- Universities from around Australia and Overseas
- Representatives from ALL faculties from Griffith, QUT and UQ
- Private Education Providers
- TAFE
- Defence Forces
- Government Agencies
- Employment opportunities
- Post graduate course info
- Professional Associations
- Student Services and more

What can you expect?

- Scholarship, financial and bursary information available.
- The chance to win a $2000 bursary
- Information on study and career options
- Exhibitor seminar sessions
- Chance to win a laptop computer to the value of $1000

Where can you find more info?

- A lift-out feature in the Courier-Mail on Wednesday, 14th July.
- A dedicated website www.tsxpo.org with info on -
  - Full exhibitor listing
  - Student Worksheet
  - Lap-top prize and bursary details
  - Seminar details & more

Be part of the expo and find out all the latest information on tertiary studies, scholarships and bursary info, financial support, career pathways and admission procedures. It’s the expo you cannot afford to miss!!!!
The “money4mobiles” project helps support the magnificent work of Make-A-Wish Australia by raising much needed funds.

The primary function of the “money4mobiles” project is to collect old mobile phones that are no longer required and have little value in the Australian market. The project’s mission is to collect as many mobile phones as possible from Australia and export them for recycling and reuse. Mobile phones collected are exported into markets where the cost of new mobile phones may be prohibitive. Mobile phones are restored, where possible, to functionality and on sold to users in locations where they would not normally be able to afford the same product in new condition.

When the phones are received they are separated into those that can be turned into usable phones and those that cannot. The usable phones are distributed to markets where they are well received and recycled for reuse. The landline infrastructure in many developing countries is often in disrepair or nonexistent and new mobile phones are expensive, so mobile phone recycling helps those who may not be in a position to afford a new mobile phone. This is a good way of helping to protect the environment, by extending the life cycle of the product and minimizing the number of phones that finish up as landfill.

Mobile phones which are deemed to be unusable or beyond economical repair have the useful components extracted. Phones that do not have any value are recycled through the “Mobile Muster” recycling program locally.

Organisations supporting the program will be asked to collect the phones pack them and send them direct to a nominated postal address for processing prior to being sent offshore.

The aim of the project is to save the environment one phone at a time whilst providing financial support for Make-A-Wish Australia.

Tennis Coaching Program

At the Padua Junior school courts!

Learn 2 Play... and have fun doing it!

Bonus FREE t-shirt for ALL students!

HOT SHOTS GROUPS

A weekly skill based tennis coaching program that uses modified equipment, games, teaching aids and activities with the aim of introducing children to tennis. This is a popular lesson program that specialises in teaching students the technical aspects of tennis. These lessons teach students the fundamentals of tennis such as the various strokes, grips, rules of tennis and scoring. Lessons are conducted weekly on the Padua Junior school tennis courts.

Ignite Conference 2010: “The Portal”  
23-26 September 2010  
Mueller Performing Arts Centre, Rothwell (Redcliffe, Brisbane)

The Ignite Conference is the largest Catholic event of its kind in Australia for young people - adults, teenagers and children. The conference includes live bands and awesome speakers, with streams and workshops in areas such as leadership, worship, creative arts, mission, culture and prayer!

Keynote speakers include Fr Chris Ryan mgl, Shayne Bennett, Karen Doyle, Patrick Keady, Robert Falzon, Ronan McGinniss, Shanelle Bennett, Ray Campbell, NET Ministries and more, plus music led by emmanuelworship!

Brochures and group booking information available from (your contact / back of church / etc), or contact Emmanuel Community on 07 3217 5199 or email info@igniteconference.com.au.

Registration and full information online at www.igniteconference.com.au
Bigger & Better in 2010!
Due to the success of last year’s Padua College Business Directory, two more local schools have joined together to create an even larger, more exciting Franciscans on the Hill (FOTH) Directory. The schools involved are Padua College, Mt Alvernia College and St Anthony’s Primary and the goal is to enhance and encourage wider community connection and involvement.

How does it work?
FOTH Directory bookings and payment will be managed by Bernie Dickson on behalf of Padua College. PC Graphic Art will be designing and producing the Directory.

There are 3 Print advertisement options this year with something to suit every type of business. The first step is to fill out your business Listing form and choose which size/Print advertisement you prefer.

All Print advertisers automatically receive inclusion in the Online Directory. Your contact details will be displayed along with a colour logo and 3 bullet points describing your business. To make your listing stand out from the crowd there are also 2 optional Online Banner ad styles available to choose from.

The Cut-Off Date for all Bookings is Wednesday 21st July 2010. Advertisement Rates are for 12 months & include GST.

Exciting New Features!
- Greater audience, more exposure, more business!
- Colour Pages – get in quick! Limited colour spaces available.
- Google maps link for your Online Business Listing.
- Business of the Month Online Feature.

Advertisement Designs
PC Graphic Art can design a professional Print advertisement for you (for an additional fee), or you can supply your own.

If you are supplying your own advertisement, it must meet our design specifications (exact size, high resolution, JPEG, TIFF or PDF) or you will be charged the design fee.

If you have any questions please contact PC Graphic Art for more info.

Catholic Education Week 25–31 July 2010

Our school, along with other Catholic schools in Queensland, will celebrate Catholic Education Week from July 25–31.

The theme for this year's celebrations is: Called to be stewards of a sustainable future.

As a Catholic community we are called to be stewards of a sustainable future: to celebrate the splendour of God's creation; to commit to protect and sustain it; to appreciate and cultivate it; and to take action today to shape its future.

This year's theme recognises these responsibilities.

The theme was also chosen to share in the Year of Environmental Sustainability declared for all Queensland schools in 2010 by the Minister for Education and Training, the Hon. Geoff Wilson.

Catholic Education Week in Queensland is an opportunity for all Catholic schools to celebrate our distinctive mission and share the things that are special about our schools and ethos with families, parish and the wider community.

In 2010, there are 288 Catholic (195 primary, 67 secondary and 26 P–12) schools in Queensland educating 132,000 or about 18% of all students and comprising about 60 per cent of students in non-government schools in the state.

There is more than 15,000 staff in Queensland Catholic schools with over 8,000 teaching staff.

Catholic schools clearly make an important contribution to the fabric of life in Queensland and Australian communities.

Called to be stewards of a sustainable future
