Dear Parents,

It is Week 3 already and a busy fortnight it has been. Year 8’s have finished their Orientation Camps. Year 5’s have begun their camps and the various Parent Information Nights have begun. All of these events and forms of communication are very important. Schools thrive on routine and the more parents and boys know and understand the routines of Padua College, the more comfortable everyone becomes.

In the last Bulletin, I referred to the successful OP results of the OP students from 2010. This week I am able to report the results for the sixty-seven Non OP students. Altogether 94 Certificates were issued to the cohort. This is the breakdown.

- 6 students achieved 3 Certificates  9% cohort
- 20 students achieved 2 Certificates  30% cohort
- 35 students achieved 1 Certificate  52% cohort
- 18 students were SAT Cert III apprentices  27% cohort

Once again, these boys achieved good results. What the statistics indicate further is that no matter what Pathway the students choose, OP or Vocational Education, both require dedication and hard work for the students to be successful.

On Tuesday evening, the Parents and Friends hosted a welcome for new parents. It was a very enjoyable and relaxed evening. Everyone was able to make some new contacts. It is my sincere hope that many of these new parents will feel comfortable about coming along to future P & F Meetings. All are welcome.

When I arrived at school on Wednesday morning, I was greeted in the foyer by two older students with injuries from rugby training. This prompts me to remind parents that students of Padua College are automatically covered by accident protection from Catholic Church Insurances Limited. Included in this Bulletin is an editorial from CCI. I would strongly advise all parents to read the editorial and the associated website, so that you know what your are covered for and what you have
to do and provide in the event of a claim.

Today, the College acknowledged and celebrated the leadership that a select group of young men will provide for the students in 2011. We are grateful that Fr Paul Smith ofm, the Provincial Minister of the Franciscans, could be with us for the Commissioning of Leaders ceremony. The Seniors of the College were also acknowledged and presented with Senior Badges and a special College tie. I anticipate that all of these young men will bring honour on themselves in the service of the College in 2011.

Once again, I encourage all parents to engage with the staff in these early weeks to establish good routines for the boys. Enjoy the busyness of the next fortnight.

Pace e bene

FROM OUR CHAPLAIN

Last week, I enjoyably spent time with the Year 8 boys on camp at “Amaroo”. It was a “getting to know” experience with the boys learning to surf on Noosa Beach, beach games and other games and activities that kept the boys busy; if a little tired by the end of the camp.

Each evening, there was a celebration of the Eucharist – a new experience for some. I spoke to them in terms of their being the friends of Jesus gathered together as Jesus’ friends did at the Last Supper. The boys were very devout and participated well in our Liturgy.

After Mass, I led the boys in JOURNALING. This is one of the easiest and most powerful ways for boys to accelerate their personal development. By the boys being able to get their thoughts out of their heads and putting their thoughts on paper, they can gain insights they would otherwise not see.

It was the ancient Greek philosopher Plato who described Socrates as living the examined life – for him, human excellence was about examining your own life and beliefs, and determining how we can live well and overall live to one’s ultimate potential.

The boys wrote responses that had very much to do with their feelings. How they felt about starting at Padua, putting on their uniform for the first time; their first day and their first week; about friends, challenges and their ambitions.

On each camp, right through to Year 12, the boys will be given opportunities to continue their journaling, and at graduation, they will be presented with their journaling book that records their five final years at Padua.

Many thanks to Mr Daniel Rush, House Guardians and Senior boys for working together to make this camp such an enjoyable success.

Last week the Year 8’s experienced the ‘Get to Know You’ camp at Amaroo. The camp was a huge success and fun was had by all. While Father John has written a report on the camp earlier in this Bulletin, I thought it might also be beneficial to read some of the boy’s reflections on their experiences;

Ben Lowrie

In only the second week of high school, the Year 8 boys departed from Padua on an early Monday morning. After a two hour drive to Amaroo, there were mixed expressions about the camp facilities. We dropped out bags in the dorms before heading to the beach for some exciting beach games and one of the highlights of camp, a learn to surf lesson. For many, learning to surf was a first and a great activity and skill many will have for life. Some found surfing extremely difficult and struggled to stand on the board, whereas other, more experienced or naturally gifted boys found it a breeze.

Aside from surfing, everyone was involved in some carnival style beach games. What day at the beach would be complete without a good swim in the surf? Many boys were completely exhausted when we headed back to camp where we enjoyed dinner and a Liturgy led by Father John, before we dragged ourselves to bed for a good nights sleep. We awoke early in the morning to play some fun games on the oval with Mr Rush before sitting down to breakfast. After breakfast we had to clean the dorms and pack our bags to head home. For some, Padua Camp was a first but for all Padua Camp was a great experience which will be a memory of ours forever.

Tom Fall - Grigg House

Surfing was exciting but also at the same time it was challenging. Also, the House Leaders were helpful and fun and they did lots of great activities such as capture the flag.

My two favourite things about Year 8 camp were surfing because it was fun and difficult. The surf instructors were very helpful. My other favourite thing was all the games that the leaders organized and played with us were fun.

Lachlan Moore – Mitchell House

For some of us in Year 8 this was our first time at Amaroo. First we started off with some surfing lessons at Noosa that I’m sure was the highlight of everyone’s day. We learnt how to stand up on a surf board. Then we kicked back with some games and activities on the beach. What a beautiful day.

Later that day back at Amaroo we had a liturgy and reflection led by Fr John. Dinner wasn’t bad either! (tacos). We slept very well that night & by the morning everyone was a bit tired. At 6am more games organised by Mr Rush then bacon and eggs for brekkie. After more games and war cry practice we were ready to go & by around 12 we were on the bus and on our way home. Thanks to Mr Rush and all the teachers for a fun camp.

FRANCISCAN PILGRIMAGE

In response to some requests there will be in 2012 a pilgrimage of Padua boys to the Franciscan holy places of Italy. We will be holding an Information Evening later in the term with further details. You might like to read my account of our 2010 very successful pilgrimage in THE PADUAN 2010 (pp.74-75).

Boys currently in years 9-12 are invited to join the pilgrimage in late September 2012.

Please contact Mr Michael O’Brien: mobrien@padua.qld.edu.au to express your interest.

FROM OUR VICE RECTOR FORMATION

Little Kings Collection
Last weekend was the official collection weekend for this year’s appeal. I hope as many boys as possible were able to get out and about to collect. I know it was very hot and so your efforts were all the more appreciated by the Little Kings Organisation and Padua! I know that a number of boys will still be collecting this week which is still fine. ALL kits must be returned to the college by Friday 26 February. House Points are on offer for every $50 collected by each House and points will be deducted for the non-return of kits by the due date.

Commissioning of Leaders Liturgy
This Thursday 10 February our 2011 Student Leaders will be commissioned in the presence of the Minister Provincial of the Franciscans, Fr Paul Smith ofm at a special liturgy. Besides the elected leaders, all Year 12 students received their Senior Ties and Badges and our College Special Ministers of the Eucharist will be installed. The call to leadership is an important one with the call to Franciscan leadership being even more so. Franciscan leaders are called to serve their community to care, humility and without prejudice. Congratulations to all our leaders in 2011.

Franciscan Pilgrimage 2012
Last year I asked for families who would interested in being placed on a contact list to drop me a line. Several families did contact me and I thank them for that. I must confess that I had a technology problem since I put out that call and would ask for all families to re-contact me please on 3857 9986 or via my email mobrien@padua.qld.edu.au I apologise for this inconvenience. Any new enquiries are most welcome. I have contacted the travel company to prepare a costing for the next trip. An Information Night will be held soon.

Inaugural Eucharist
The new College year will be formally opening with the celebration of the Eucharist in La Cordelle on Friday 11 March at 11.00 am. Archbishop John Bathersby will be the Principal Celebrant for that occasion. This is an important event in the life of the College, made even more so with the presence of the Archbishop. The next few weeks will see much in the way of preparation for this event starting with music rehearsals with the Liturgy Group next Friday 19 February with members of the emmanuelworship.com community.

Red Cross Blood Van Visit
The Red Cross Blood Van will here at the College on Thursday 17 February and Friday 18 February from 9.00 am to 3.00 pm. Appointments can be booked by ringing me on 3857 9986 or by dropping by the van during the day. The receptionist will fast track any adults and parents through the initial stage to ensure you are not waiting too long. Over 20 staff and nearly double that number of students have volunteered to donate over those two days. Some spaces for appointments are still available.

Flood Appeal Casual Dress Day
Padua’s generosity came to the fore on Tuesday 1 February when we held our Casual Dress for the Flood Relief Appeal. A total of $3214.85 was raised throughout the college by wearing casual dress or buying a sausage at the sausage sizzles on the day. Some of the money has been allocated to helping a local P & F Association in the Lockyer Valley associated with the Grantham community. The remainder of the proceeds will be sent to the St Vincent de Paul Flood Relief Appeal. Thank you Padua! Peace and all good!

Year 10 PALS
Our College is committed to giving our students their best chance of leading happy, healthy and independent lives. Our Year 10 Personal and Life Skills (PALS) program is part of this commitment. In Year 10, students will be provided with learning activities designed to help them reach their unique career potential. The goal of the Year 10 PALS program is to lay the foundation for young people to more actively manage their life, learning and work in the 21st century. Year 10 is an important year for making decisions about their senior academic pathway. The PALS program aims to provide information and resources to the students so they can make informed decisions about their Senior Education and Training Plan (SETP).

Parents of Year 10 students are encouraged to initiate conversation with their sons so they can reflect on and link these important learning activities with the achievement of their life, learning and work goals.

Defence Technical Scholarships
Applications close 11 March 2011
The Defence Technical Scholarship (DTS) has been designed to encourage students to stay at school and complete Year 11 and 12 whilst studying technical subjects such as Technology studies, Graphics, Furnishing and Engineering. It is a Scholarship focused on students undertaking a technical trade pathway, not a tertiary pathway. There is no commitment for DTS recipients to join the Australian Defence Force (ADF); however students must demonstrate an interest in ADF Technical Trades to complete the application process.

The Scholarship provides $2000 for Year 11 and $3000 for Year 12 students and is paid in two cheques over the school year. The DTS aims to increase awareness of the wide range of trades available in Navy, Army and Air Force and for a selected number of Year 11 recipients (and teachers), this will include a Defence Experience Tour.

If you wish to apply, please see Mrs Goodwin as soon as possible to collect a student application pack.

Year 5, the newest, youngest Paduans!

Looking around the playground and in the classrooms, you would think that the Year 5 boys had been at Padua for much longer than two weeks. They have settled extremely well into their new school, meeting new friends, playing enthusiastically at lunchtime and adapting to classroom routines and expectations.

It has been a very busy time, though, as they realise that their school grounds extend way beyond the Eastern campus. The facilities and buildings on the Western Campus, as well as the integration with much older students have been welcome eye openers for this new group of youngsters. Over the next few weeks, as each Year 5 class ventures north to Amaroo for what will be for most of them their very first school camp, their appreciation of what Padua offers will certainly surface again.

In the classroom, much focus has been on the structure and practice of daily routines, as well as activities that help introduce the boys to their peers. Outside of the classroom, cricket trials have welcomed a wave of keen players. Many boys are also showing an interest in swimming training.

David Searle, Ty Casey and I know that a full and busy year lies ahead for Year 5 and we look forward to what our future graduating class of 2018 can offer!

Welcome to Padua, Year 5!
