FROM THE RECTOR

Dear Parents,

Last weekend the Board of Directors met on Saturday at Amaroo. Amongst their deliberations, they considered two significant documents, which will impact on the teaching and learning at Padua. The first document was the Padua College Curriculum Review Proposal, which resulted from the collaboration of the teaching staff and the work of the Curriculum Review Committee. Some decisions were made in relation to this document, which will be significant for Padua. I will convey these decisions in the next Bulletin, after you have had the opportunity to read the document, which will be put on the Padua Website shortly.

The second document was the preliminary evaluation of “Achieving the Vision 2011” (Strategic Directions). The process of reviewing the Strategic Directions will continue throughout the year, with a view to this document informing the creation of a new Strategic Directions in 2012.

This week the CIC and AIC teams have contested their respective swimming carnivals. The teams have trained hard and the teachers and coaches have been diligent in their preparation of the teams. Good luck to all!

On Friday, we celebrate our Inaugural Mass with Archbishop Bathersby. It is an honour and privilege to have the Archbishop visit the school and we look forward to an inspiring Eucharist and wonderful celebration.

On Tuesday evening, the P&F had their first formal meeting of the year. This year, they are planning a number of guest speaking occasions. Already, Brett Lee has been engaged to speak to all FOTH parents on “Internet Safety and Cyber Bullying” on 14 June at 7.30pm in La Cordelle. Please note this in your schedules. Another presentation, yet to be confirmed, will be on last year’s Franciscan Pilgrimage. This was a very successful venture and the retelling will be both interesting and informative.

Photos

Photos for all AIC Cricket Teams plus the AIC Swimming Squad will be taken periods 1-3 on Friday March 18. Your son must have his full Cricket whites (Blazers and caps for the Firsts) or his team gear for AIC Swimming. If he does not bring correct clothing he will not be allowed in the photo.

Year 11 & 12 Exams

Your sons have received their Exam Timetables at school. Copies of these timetables are also available on the College Web and through SharePoint.

Please note that the exam blocks are as follows.

Yr 12 period 4 Friday March 18 (students must be at school that morning) through to Friday March 25.

Yr 11 Monday March 21 - Friday March 25.

Year 11 & 12 students are only expected at school for their exam time, however a study room will be provided on campus.

Please help your son to be organised and well prepared for all his exams.

FROM OUR CHAPLAIN

Yesterday the whole school gathered for the time honoured and ancient ritual of the distribution of Ashes. So begins the Church’s season of Lent.

During this time a particularly urgent summons to repentance and renewal goes out to all Christians. The cross of the ashes is a symbol with a profound truth - it heralds six weeks of **honesty with ourselves**. We stop pushing awkward facts about ourselves out of our minds, for it is a time to reflect on our real selves, perhaps recalling the words of Saint Francis, “you are what you are before God, and nothing more.”

This is a time of penance, when we defend our inner freedom against all that curtails our attitude to service and loving outreach to others. One of the great Gospel passages of Lent is that of the temptations Jesus underwent in the desert, where Jesus overcame the efforts to turn him from his God given mission to total service to others.

Lent is fundamentally a time of sober reflection, maybe a time of fasting, but certainly not a time of feasting (give or take the Feast of Saint Patrick!)

We turn the spotlight of honesty upon ourselves - for some it will be a review of our relationship between our work and our family; for others, a new effort to be patient under difficulties, or a greater attentiveness to the needs of those around us, remembering the words of Jesus, “**As you did it to one of the least of these my brethren, you did it to me.**” (Matthew 25:40)

TUCKSHOP

FROM OUR PASTORAL CARE TEAM

Uniform

Since the start of the term there has been a growing trend for boys to wear the College socks barely covering their shins. The College expectation is that the students wear their socks to just below knee height. Could I ask that parents check their son’s socks as they leave for school each day and ensure they are being worn correctly? Many need replacing because they are faded or ripped, while others are being worn gathered in the end of the shoe to give the appearance that they are pulled right up. Students who fail to wear the socks correctly may find themselves facing a repercussion for their choice to do this.

Late Arrivals / Early Departures

Padua College has a number of procedures and policies that ensure students are successfully monitored and accounted for when students arrive late to school or depart early during the day. The majority of these procedures and policies have been implemented to ensure the safety of transiting students to and from the College and accurate record keeping. It is imperative that students follow these procedures;

- **If a student is late to the College, they should sign in at either the College Office or the College Book Hire.**
- **Where applicable, students should bring a note from their parent or guardian explaining their late arrival.**
- **The student will be issued a late slip and asked to have their classroom teacher and their parents/guardians sign it before returning it to their PC teacher.**

In the event a student is required to leave the College before 3:10pm;

- **The student is required to bring a signed note explaining the reason for their early departure.**
- **This note must be signed by the students PC teacher and their House Guardian.**
- **10 minutes before the departure time, the student should collect their bag/books and report to the office with their signed note.**

While these procedures are in place to accommodate differing circumstance, families are reminded that students should be at school prior to 8:25am each morning and should be leaving no earlier than 3:10pm. Parents are encouraged to make appointments for their sons, outside of school hours.
Lord Mayors Youth Council

The College is pleased to announce that Ryan Massingham in Year 10 has been selected to represent Padua and the youth of Brisbane on the 2011 Lord Mayors Youth Council. Ryan will give input to a range of community projects and concepts, particularly those that affect the youth of Brisbane. Below is a report on Ryan’s first involvement in this committee.

On the 2nd on March I was privileged enough to be a representative of Padua College at the Lord Mayor’s Youth Advisory Council that was held in the City. We talked about what was going to be the themes for our LMYAC meeting for the rest of the year, we settled on the issue of Public Transport. We are going to focus on mainly Buses with Over Crowding problems, Timetable issues and other problems affecting the Brisbane City Council Local Government Area. I would just like to highlight an initiative that was bought up in LMYAC in 2009. The group started a website for students to help them with their studies, with resources like Databases, Details about the Latest event for 15-17 year old people in Brisbane as well as access the Council’s eLibCat Library Catalogue System, the URL is www.library.com.au and you can also join one of the discussions or even start your own. The next LMYAC meeting is going to be held on the 1st of June, I look forward to reporting back to you then.

Ryan Massingham

We wish Ryan every success in his endeavours as a part of this council and look forward to seeing the results of his hard work.

FRANCISCAN PILGRIMAGE

In response to some requests there will be in 2012 a pilgrimage of Padua boys to the Franciscan holy places of Italy. We will be holding an Information Evening later in the term with further details. You might like to read my account of our 2010 very successful pilgrimage in THE PADUAN 2010 (pp.74-75).

Boys currently in years 9-12 are invited to join the pilgrimage in late September 2012.

Please contact Mr Michael O’Brien: mobrien@padua.qld.edu.au to express your interest.

FROM OUR VICE RECTOR FORMATION

Lent 2011
This week begins the Church’s observance of the Season of Lent. For the next forty days or so we work on preparing ourselves for the events of the Passion, Death and Resurrection of Jesus at Easter. The prophet Ezekiel asks of God today to give us a new heart and a new spirit as we journey through these next few weeks. Traditionally, many Catholics ‘give up’ something for Lent as part of their practice of self-denial. Increasingly, more people today choose to ‘do something extra’ as their own individual observance of this season. Whatever you choose to do you will be made more sure, and more receptive to the graces and message of the Risen Jesus on Easter Sunday.

Tuckshop and Lent
On Ash Wednesday and on Fridays during Lent the tuckshop will serve a variety of fish burgers and non-meat items. On Ash Wednesday there will be no meat items on the menu for sale.

Pilgrimage 2012
If you would like to be on the ‘Contact List’ for our next pilgrimage to Italy in 2012 please contact me either by phone on 3857 8886 or via email on mobrien@padua.qld.edu.au. An Information Evening will be held before the end of term. Trekset, the company who helps us organize the pilgrimage are currently putting together a travel package for us. After the experience of our first trip last year we have decided on a few changes to our next itinerary and so I am looking forward to seeing what Trekset can offer us.

Kedron Parish News
In this Bulletin you will find quite a bit of information about what is happening in the Kedron Parish both for adults and youth. I commend these notices to you and encourage you join in any of the activities they have planned.

I would be happy to promote the events and activities of any other parish to which Padua families belong. Please ask your parish priest or parish secretary to send me a copy of your weekly parish bulletin and we could start up a page in future bulletin advertising forthcoming parish events to all the Padua community.

Year 10 Spirit Days
This week all our Year 10 boys attended their annual Spirit Days hosted by the National Evangelisation Team (NET) and the guys from Peer Power. I believe the days both entertained and provided thought provoking material on the topics of growing up as a positive male and adolescent spirituality.

Year 12 Camp
On Monday 28 March the first of two Year 12 camps takes place at Emu Gully Adventure Camp. These camps take place after the boys exams with a final week left of school before breaking for the Easter holidays. Fr Bernie Thomas ofm, former Assistant Priest of Kedron Parish, will be accompanying us on camp that week.

UNIFORM SHOP
Year 10, 11 & 12 students

Don’t forget blazers and long trousers in terms 2 & 3.

All blazer sizes are now in stock at the uniform shop so come early and organize a size.

Blazers can be lay-byed.

Second Hand Clothing
Blazers must be dry cleaned and hanging.

All other second hand clothing must be clean and in good wearable order. If not, it will be automatically given to the missions by the Convenyor.

Second hand clothing will be kept for 12 months only. After that it will be given to the missions.

We have 6 small size older hats selling for $20. They are good as a second hat.

We do not resell socks, hats, caps or swimwear. Welcome all new parents to the uniform shop and welcome existing mothers who work the roster. I am sure, as usual, it will be a great 2011 at Padua.

FROM OUR ENVIRONMENT CLUB

Unfortunately another casualty of the recent Brisbane floods was the Grange Forest Park. Many of the Environment Club boys and their parents had signed up for our annual Clean Up Australia Day event. After inspecting the park last Saturday, it was decided to cancel the clean up due to the unsafe environment. It was discovered that the creek banks had been washed away and there is now an 8 metre gap between the creek bank and the bridge.

Thank you to everyone who signed up. Hope we will have better luck next year. I would also like to take this opportunity to thank Councillor Fiona King for her support.

On a brighter note, it my pleasure to announce the Environment Club Planning Committee for 2011.

Professional Development: MJR by Peter Mitchell of the Tasmanian Catholic Education Office

MJR: Putting it simply, is making Jesus real in our lives 24/7.

The 24th & 25th of February saw both myself and Mr Graham travel to Hobart to undertake some professional development in the area of Religion. The course was an introduction to MJR: Making Jesus Real program.

MJR an initiative of the Tasmanian Catholic Education Office, its schools and, was developed and facilitated by Mr Peter Mitchell. ‘Mitt’, as he is better known, was a Christian Brother who worked at schools throughout Victoria before he left the order, was married and settled in Hobart. Peter is very much responsible for the program, which initially was written to be facilitated on school camps. Its popularity has seen it become the spiritual focus for Religious Education within the Diocese of Hobart and across the state.

To date MJR has been adopted by Catholic schools across the country with Padua College being one of the few order run school communities to take MJR on board.

The Eastern Campus has adopted the MJR program for its Year 7 students and it is hoped that it will develop school spirit and make people aware of the Gospel Values being lived out each and everyday within our school community.

The students begin the year with goal setting and learn how to watch or monitor ‘God Moments’ around them. They are encouraged to ‘dub in’, those good deeds and report those in weekly journal writing activities. A huge emphasis is placed on tuning in to the good things happening around them and making them reflect on what that is.

If you would like to learn more about MJR, please feel free to contact the school or the Tasmanian Catholic Education Office.

Kind Regards,
Chris Webb - Yr 7 Teacher

FROM OUR OUTDOOR EDUCATION CENTRE COORDINATOR

Year 5 Program wrap up

There was high energy and excitement as each of the first class of Year 5 arrived at ‘Amaroo’ for the start of their camp experience. For some of these boys, it was their first time away from mum and dad for the night, others boys were very inquisitive about what lay ahead.

The welcome, settling in, moving into cabins and tour of the grounds was hosted by Year7 leaders who did a great job at involving themselves on the camp. It’s important that the younger boys have role models, and spending time together on camp make the Year 7’s very approachable. Then it was multiple games on the oval before a sit down lunch of chicken nuggets, chip & salad.

The afternoon’s activity of screen printing onto shirts went well, with many boys very impressed with their efforts, and wearing their shirt the next day. Orienteering saw the boys complete the course with success and pride in their new map reading skills. Noosa Beach provided the ideal location late in the afternoon for some beach activities and a swim between the flags. The manners these young boys showed in the dinning room for dinner is a credit to the parents and desserts were enjoyed by everyone.

The second day saw more fun activities and an introduction to some low rope activities, which were a fun learning experience. It’s great to see boy challenge themselves and have fun in the process.

A big thank-you to the boy’s teachers, Mr Searle, Mrs Ayre, Mr Casey, Mrs Hodge and Mr Wren, who put in a huge effort to help facilitate the camps and make the whole process enjoyable.

FROM OUR PARISH

Kedron Parish opportunities for parents. Meetings held in the Parish House (corner of Somerset and Turner roads).

Women’s Spirituality Circle: Conversation and prayer. Friendship and laughter. Usually held on the first Tuesday of the month. Bring a friend! At our March meeting we welcomed Eman, a young Islamic woman who shared her experience of Ramadan. As Catholics who try to observe Lent, we were amazed at the rigors of her observance. She awakes each morning well before sunrise to eat a small meal, fasts from food and drink all day until sunset, and prays formal prayers five times each day. She also visits her mosque most evenings during Ramadan. Eman explained that for her it is a time of spiritual refreshment that she looks forward to each year. She enjoys the particular foods and increased fellowship with other Muslims during Ramadan. We all felt blessed to share and pray with a young woman from a different faith tradition who highly values her relationship with God.

We are taking a break in April as many of us are involved in Lenten discussion groups. Our next meeting is Tuesday, April 3 at 7.30pm in the Parish House. We’ll be discussing the virtue of “tolerance”.

Queensland Pilgrimage to World Youth Day 2011

Formation Day 2 -

"The Journey Continues"

You are invited to attend the second of our World Youth Day 2011 Formation Days. The day will focus on "The Journey Continues" and will look at the various ingredients that go into a successful pilgrimage to World Youth Day.

This will be an opportunity to further expand the theme of World Youth Day and look at the lives of the official WYD Patrons.

During the day there will be an opportunity to explore in more detail the official Queensland pilgrimage options, get an update on the latest developments from the Madrid WYD office and start to look more closely at the practicalities of travelling overseas on pilgrimage.

This day will also give people plenty of opportunities to ask specific questions about WYD in Madrid and the pilgrimage options that are being organised.

Come along and get caught up in the energy and excitement that World Youth Day generates. Be apart of this formation opportunity as we travel along this journey to World Youth Day 2011!
