Dear Parents

Welcome to 2013 at Padua College!

On Tuesday morning we were given the opportunity to welcome all of our new Year 5 and Year 8 students into the College. It was very pleasing to see so many Year 5 and Year 8 parents take the time to stay for morning tea in the Assisi Library on their son’s first day. All Padua parents play a major role in our Franciscan Community and are always welcomed at Padua College. The P&F will be hosting a “Welcome New Parents Evening” on Tuesday 12 February. Please look for more information later in the Bulletin. All parents are welcome to attend.

The first morning for the rest of the school occurred on Wednesday and was begun with a welcoming assembly. At the assembly, I spoke of the number of exciting changes that are occurring at Padua this year. These changes will include changes to the way we use technology, new Houses, new Building and some significant changes to the way the school is structured, organized and administered. Already the changes have begun with most students (who have returned their forms) receiving their iPads. All teachers have now received extensive Professional Development related to the use of iPads in the classroom. Given that training and the introduction of our new Learning Management System PadLearn (Blackboard) all parents should find that the introduction of iPads into the Padua School Community will enhance and deepen the Teaching and Learning offered to all students of the College. At this first assembly I was also very pleased to introduce the students to all of the new staff members who are starting at the College this year.
The new staff are:

<table>
<thead>
<tr>
<th>Name</th>
<th>Position</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jason Pacey</td>
<td>Vice Rector Teaching and Learning</td>
</tr>
<tr>
<td>Justin Carroll</td>
<td>Director of Coaching</td>

<td>Chris Yeo</td>
<td>Primary Teacher</td>
</tr>
<tr>
<td>Michael Out</td>
<td>Primary HPE Teacher</td>
</tr>
</tbody>
</table>

I am sure all of our Community will make our new staff members feel very welcomed.

Over the holidays, we were pleased to receive some very good OP results related to our graduating class from 2012. Congratulations to Anthony Briggs, Stephen Chinnery, Nathan Crooks, Jacob Dryer and Benjamin Slattery who all received an OP1. Additionally, I am very proud to announce that the College also received 5 OP2’s, 4 OP 3’s, 3 OP 4’s and 6 OP 5’s. This means that 23 or 20% of our graduating Seniors received an OP 1-5. 41% of our OP eligible students received an OP Score of 1-10 and 77% 1-15. These are very good results and reflect the quality of teaching and learning that is offered at the College. We will recognize these “Old Boys” academic achievements at next weeks Academic Assembly.

The next few weeks are traditional amongst the most busy of the school year. I would therefore ask that all parents assist us and your sons by taking careful note of the College Calendar and ensuring that you and your son are fully aware of all important upcoming College events. Now is also a good time to help your son establish good homework and study routines and habits.
From the Rector

All the best for a very exciting year.
Simon Stower
Acting Rector

Please do not
use the carpark behind the Church for student drop off/pick up.
It causes traffic chaos & serious safety issues.
Dear Parents,

It has been such a pleasure welcoming our new students to Padua, and hearing from our present students how they spent their holidays.

We are all so honoured to be part of the larger Franciscan family, and to live in an environment where we are challenged to make the Franciscan values part of our lives.

The vision of Saint Francis of Assisi is fundamentally optimistic - he saw the world, all creation, and all humanity as made in the image of God. That there is a divine dimension in all of us.

Francis's relationship with everyone was one of unconditional love and respect, be it Popes, Bishops, Priests, Sisters, nobles, the poor, robbers, the sick, and unbelievers. He did show a particular esteem and consideration for two classes of people in whom he saw a special presence of Christ - lepers and priests. Lepers, for Francis, were a living image of the suffering Christ. In Priests he saw the Son of God, because they alone could consecrate the Body and Blood of Christ and minister it to others.

It troubled Francis so much to see all those he saw as brothers and sisters to one another in conflict with one another. Here was the true peace-maker. In Assisi, he passionately sought to establish peace and to remedy the unequal enforcement of civil rights - between civil and church authorities competing for dominance, between labourers and their employers who hated one another because of an equal distribution of wealth.

For all of us at Padua, Francis's vision firstly invites us to see the good in everyone, to affirm that goodness by affirmation, encouragement, and praise. Secondly, to be active peace makers in our families, in our school, and in our communities.

It is going to be an exciting year for us all at Padua, and whatever the challenges that come to us through change, let us colour it all by the vision of Saint Francis of Assisi.

Fr John
College Chaplain
From the Vice Rector Formation

Thanks from St Vincent de Paul

Following from the enormous generosity of Padua families, the Kedron Conference of St Vincent de Paul wanted to pass on their thanks for the Christmas Hampers we donated at the end of school last year. It was an enormous effort with over 60 hampers, once again enabled people in need in our local area enjoy something nice for Christmas. Thank you everyone!

Little Kings Movement

The annual Collection Appeal for the Little Kings Movement is about to commence. This is a charity that Padua has taken to its heart over many years. The LKM is not-for-profit organisation that assists families who have a member who is disabled. They receive no money from the government so every cent groups like us raise is used by them. In 2013 Padua created a new all schools record by raising $12,000. A huge effort! Your sons will be asked to consider collecting for this appeal soon. This will require going around his own neighbourhood over the next few weeks with an official Collector’s kit. Please consider giving this charity your support in 2013.

Year 10 Spirit Days

Year 10 boys will be receiving their Permission Letters for this event within the next week. The days are scheduled for 19 and 20 February. The presenters this year include Peer Power and NET (National Evangelisation Team). More details about these days will be contained in the letter.

Padua Prayers

If you know of any family who has a member who is sick or has passed away please let me know. Prayers will be offered at our weekly lunch time masses and prayer intentions will be asked for in our regular Bulletins.

Michael O’Brien
Vice Rector Formation
Franciscan Reflections
Franciscan Readings for the Christian Year – gladly hosted by the Franciscan Friars (Holy Spirit Province) in Kedron, and written by Br Matt Hufer OFM.

As 2013 begins, the Teaching and Learning portfolio is undergoing a series of changes designed to better support your sons on their learning journey at Padua College. These changes include a change of focus of what was traditionally known as Curriculum to incorporate the full scope of Teaching and Learning that occurs within a dynamic school such as Padua. To this end, a number of new positions have been created. Ms Dwyer now takes up the portfolio as Head of Senior Studies, a role that is focussed on the tracking and development of boys in Year 10, 11 and 12. Ms Dwyer will be the first port of call for senior students who have questions regarding their subjects and pathways. Ms Dwyer is very passionate about this area and the extensive expertise that she brings to this role will be of great benefit to our students. In line with the College goal to ensure a seamless journey for our boys from Year 5 through to Year 12, a number of new leadership positions have been created and several changes of position have also occurred. I have included the full list Heads of Curriculum below for your reference and would like to congratulate all of the new appointees:

<table>
<thead>
<tr>
<th>Position</th>

</tr>
<tr>
<td>Head of Mathematics 10-12</td>
<td>Claire Clapham</td>
</tr>
<tr>
<td>Head of Junior Mathematics 5-9</td>
<td>Peter McNamara</td>
</tr>
<tr>
<td>Head of Science 10-12</td>
<td>Jon O’Driscoll</td>
</tr>
</tbody>
</table>
In upcoming weeks in the Bulletin, you will find out more about the changes mentioned above and how they relate to your son. I am very excited about my appointment as Vice Rector Teaching and Learning at Padua College and am looking forward to meeting the boys and parents that are part of the Padua community. If you have any questions regarding Teaching and Learning at Padua College from Years 5 to 12, please feel free to direct your question to your son’s classroom or subject teacher, a Head of Curriculum or myself.

Jason Pacey
Vice Rector Teaching and Learning

**Scholarship Exams 2013**

Parents of Year 7 and Year 10 boys are reminded that the College offers scholarship for Years 8 - 10 and for Years 11 - 12.

The selection process is via a national Scholarship Exam organized by ACER.

Padua students who wish to apply for a scholarship for 2013 need to apply through the Padua website.

The Scholarship Exam will be held on Saturday 23 February.

**Applications close 4 February 2013.**
Welcome back to all the students and their families of Padua College, particularly the new families and their sons. The key word for 2013 is ‘change’. This year Padua integrates the Greccio and Assisi campuses together as one school. We also have the new 6 house system as well as many other changes to the school.

I would like to welcome back last year’s House Guardians and welcome the new Guardians for 2013.

- Beirne Guardian    Marty Raadschelders
- Boyd Boland Guardian   Greg Lavey
- Grigg Guardian      Dan Cull
- Kirby Guardian    Chris O’Shea
- Mitchell Guardian  Craig Nicholson
- Odoric Guardian    Aimee Asimus
- Greccio Pastoral Guardians Chris Webb & Ty Casey

They are an important part of your son’s life here at Padua and can be contacted by phone or email.

As with the beginning of any year I would like to remind you of some of the College expectations.

**Bullying**
The bullying policy is documented in the student expectations.
- There is a zero tolerance of all forms bullying at Padua College. Should there be any concerns please contact your Guardian.

**Uniform and Grooming**
- All students are expected to wear garters and long socks with the summer uniform.
- Hats are worn at all times while outside classrooms.
- Black leather shoes.
- Uniform is neat and tidy with shirts tucked in.
• Hair is cut to the appropriate length off the collar and ears and not touching the eyebrow. Should you have any concerns about the uniform please contact me or the guardians.

**Mobile Phone Policy**

The policy is clearly stated in the student handbook.

• Should your son have his phone confiscated it will be held in the office until parents contact the office until parents are able to collect the phone personally from the office. Should this be physically impossible, parents are asked to contact their individual house guardian directly to make alternative arrangements. This can be done phoning the College office. Please note the office staff do not have the authority to return a students phone.

Any queries should be directed to the relevant guardian.

**Locks**

Locks are the property of the student. Should they fail to work after some time then the student can purchase a new lock at the uniform shop. At no time is the combination to be given to other students.

Your support in regards to these matters is very much appreciated.

**Year 5 and 8 Camps**

The Year 8 camps (one night only) will be from 4-13 February and run in house groups.

The Year 5 camps (one night only) will be run 13-21 February and run in class groups.

You can contact your son’s PC teacher through the College office on 3857 9999 or by adding their first initial to their surname@padua.qld.edu.au

Example – Ryan Hanly is rhanly@padua.qld.edu.au

Best wishes to all families for the beginning of 2013. I am sure it will be a successful and Prosperous time for your sons.

Paul Garufi
Acting Vice Rector Pastoral Care
Welcome to Kirby House for 2013 and beyond. My name is Chris O’Shea and I will be the Kirby House Guardian for 2013. I am a Padua old boy and graduated in 1994. After school I became a qualified Cabinetmaker/Shopfitter and worked in this industry as a tradesman for 12 years. During my last four years of work I studied to become a teacher and was lucky enough to gain employment at Padua in 2008 as an Industrial Skills Teacher.

Fr Barry Kirby was a kind and gentle man who always made time for friends, acquaintances and strangers. He was the Rector of the College during my time at Padua Primary and his visits over to the Eastern Campus (now known as Greccio Campus) were always eagerly awaited. His devotion to family and friends is always mentioned when talking to those who knew Fr Barry. Colleagues, past students and past parents always valued Fr Barry’s friendship. It is this lasting memory that has led the House to adopting the motto “Amici in Aeternum” or “Friends for all time”. It is this motto that will underpin the core values of Kirby House. These values include lasting friendships made between students, teachers, parents and the wider community that will enrich and assist the development of all involved will be the initial goal of the Kirby House Pastoral Care Team. I wish all the Houses the very best for 2013 and parents and students of Kirby please feel free to contact me at school anytime that suits.

Chris O’Shea
Kirby House Guardian
Dear Students and Families,

Welcome to the 2013 school year from Kathy Hodge!

For this Year I am to be the Vice Rector of Greccio Campus and Year 7 Pastoral Guardian, as well as beginning my role as Head of Curriculum Years 5-9. Due to my age(!), I will not bore you with the details of my life, other than to say that this is my 10th year at Padua College. During the past few years I have had various roles from teaching to administration to learning enrichment and guiding the curriculum for years 5-7 with the support of staff.

I have truly enjoyed my time here and can assure you that the college has your son’s best interests at heart. My three sons have attended Padua from years 5-12 and my youngest completed his studies here in 2002. They have all been successful in their chosen careers as Padua College gave them the skills and confidence to achieve their goals.

As the year progresses please make yourself known to me if I have not already met you, and know that all the staff are here to support and guide your son throughout 2013. Do not hesitate to contact me if there is any situation where I can be of assistance. Enjoy 2013!

Kathy Hodge

A year 5 boy has lost a 1990 Padua badge (with crest) that his dad had given him.
If found please hand into Greccio Office.
It is with great pleasure that I welcome you and your son to Padua College – Greccio Campus for 2013. I would like to take this opportunity to introduce myself to those of you I have not yet had the pleasure of meeting! My name is Chris Webb and I have been part of Padua College for quite sometime now. I was schooled here at Kedron, attending both St. Anthony’s Parish School and Padua College where I graduated in 1997. My wife Monica and I have three young girls, Olivia (5Yrs), Matilda (4Yrs) and Isabella (20months). It’s a busy life and as I’m sure you all can attest, it sure will become busier!!! My education at the FOTH Schools (Franciscans on the Hill) will be of great benefit as I take on this new role nurturing and inspiring the newest members of Padua College. The wonderful classroom teachers and myself will work closely together to ensure your son is cared for in the best way possible. Together we can and will assist your son in making a successful transition at Padua. I look forward to meeting you all at some stage soon and encourage you and your son to be active members of this wonderful place!

Kind Regards,
Chris Webb
Year 5 Pastoral Guardian

Welcome back!

2013 is once again shaping to be an exciting year for Padua College. I would like to take this opportunity to introduce myself to those families I’ve yet had the pleasure of meeting. My name is Ty Casey, and I’ve been a part of the Paduan community for a number of years now. I’ve taught both Year 5 and 6, in the now re-named Greccio Campus and have been involved in numerous co-curricular activities throughout the college. Being a former Primary student of the College, I’m extremely fortunate to be undertaking this new role as Pastoral Guardian for Year 6. I’m looking forward to meeting the challenges that lay ahead and guiding your son on his journey as he enjoys all that will be offered to him. This journey would not be possible without the guidance, care and commitment of our dedicated and hardworking classroom teachers. It will be through their collaboration and assistance that will we ensure that every opportunity is afforded to your son. Here is to a great year ahead, and I look forward to meeting you and your son in due course.

Kind Regards,
Ty Casey
Year 6 Pastoral Guardian
Greccio Campus
Welcome back to another year of learning and skill development. Best wishes to all those year 11 boys who have successfully gained a place into a TAFE or SkillsTech course for 2013.

Matthew Flynn (Electrotechnology), Matt O’Brien (Plumbing), Ethan Swadling (Automotive), Ned Witherdin (Plumbing).

Other applicants are on waitlists and may be contacted by SkillsTech if a vacancy arises.

**Careers Australia 2013**

This year all Careers Australia Construction certificate II classes will be held at the Bowen Hills campus. As I mentioned last year, the campus at Brendale is now closed.

Also as mentioned previously, there will now be a fee incurred by Padua students completing the Construction and Engineering certificates.

**The fee for year 11 will be:**

- Construction certificate II $350
- Engineering certificate II $150 - $400 if doing both certificates.

**Yr 12 fees:**

- Construction $175
- Engineering $75 - $200 if doing both certificates

**Careers Australia dates 2013:**

**Year 12:**

- Feb 4 – 8
- May 7 – 10
- July 15 – 19

**Year 11:**

- March 27-29
- June 17 – 21
- Sept 16 – 20

**Workplacement 2013**

All boys doing the vocational pathway are expected to do workplace-ment in a field of their choice for one day per week over the two senior years.

Boys should have returned their preferences to me by the end of 2012. Those boys who did, will be given their placement shortly by me.
Once they have been given their placement employer, boys need to contact the employer and introduce themselves and organize a work day.

- **Do not choose Thursday, but any other day is fine.**
- **You must work the same day EACH week.**
- **Record the day you work on the form I give you.**

Ensure you collect the signatures of:

- Employer
- Parent/Guardian
- Yourself

*YOU DO NOT NEED TO GET THE PRINCIPAL’s SIGNATURE*

**NO YEAR 12 CAN RETURN TO WORK WITHOUT COMPLETING A NEW AGREEMENT FORM.**

(I will be providing these to Yr 12’s ASAP after school begins)

Dear Padua Parents,

On behalf of the Athletic Development Department we would like to welcome you to another school year. Padua College has newly appointed two Athletic Development Coordinators who will run and maintain the gym facility and deliver functional Strength and Conditioning programs to the Padua students. The Athletic Development Coordinators will focus on the development and acquisition of functional movement patterns as it is essential for leading a healthy life. In a world where our children play less and are becoming increasingly more sedentary it is becoming necessary for professionals to teach and correct basic movements of our youth.

Both Athletic Development Coordinators are highly experienced in Strength and Conditioning. Simon Price has delivered elite Strength & Conditioning programs to a range of athletes at different spectrums of the scale, Queensland Fire Women’s Cricket, Queensland Bulls Cricket and Australian Rugby Union national academy. Simon has started his Masters in Strength and Conditioning at Edith Cowan University (Perth) he also has a degree in Sport and Movement Science from Queensland University of Technology and a Diploma in Sport development from North point Institute of TAFE. Simon also holds a level 3 strength and conditioning coaching accreditation with Australian Strength and Conditioning Association.

Michael Speranza is an experienced strength and conditioning coach and sport scientist. He has worked in a number of different sports including rugby league, tennis, volleyball, field hockey, and rowing. He is the current head strength and conditioning coach of the North Devils Rugby League club which competes in the Queensland Cup competition. Michael is a level 2 coach and has a Masters in Exercise Science from Edith Cowan University (Perth) and has recently commenced a research Master’s degree at the Australian Catholic University. He is passionate about improving adolescent movement literacy as he believes it is important that everyone can participate in physical activity to the best of their ability so that they can enjoy a healthy and productive lifestyle.

The Athletic Development Coordinators are excited to be working with the students and look forward to an exciting time at Padua College.

If you have any further questions or queries please don’t hesitate to contact either Michael msperanza@padua.qld.edu.au or Simon sprice@padua.qld.edu.au

Kind Regards

Athletic Development Department
Welcome back to what is going to be a very exciting 2013 at Padua!

Over the last week staff have been busy acquainting themselves with some of the new technologies your son will be using this year. This year will very much be one of trial and tribulation so I do ask for your patience and understanding as we navigate this year together.

The next few weeks are exceptionally busy and I have included key dates below for you and your son. Please take note of these dates and what will be happening. If you son is away on any of these days there will be ‘catch up’ days following these sessions.

A big thank you to those who have responded about the insurance and who have returned forms. Just a couple of key points...

- if you have not returned the iPad Usage Agreement Form (legal one), your son will set up his iPad and then return it to me until such time as the form is returned;

- if you have not informed us that you DO NOT wish to have insurance for your son’s iPad through the College (premium is $78 per annum) please email me at tanderson@padua.qld.edu.au by Thursday 3pm. We need to make this cut off as Sem 1 accounts need to be organised. Please be aware that at this busy time, email is the best way to contact me;

- if you are providing your own iPad, please ensure your son has it on the day his year level is receiving theirs;

Future Bulletins will have information to help you support your son’s learning at home and to assist him with protecting and getting the most out of his iPad.

I would like to take this opportunity to thank you for your support last year as I joined the Padua community and look forward to working with you and your son in 2013.

Tanya Anderson
Key Dates

Wednesday 30 Jan  Year 11 and 12 receive iPads
Thursday 31 Jan  Year 8 – 10 receive iPads
Friday 1 Feb  Year 5 – 7 receive iPads
Monday 4 Feb  Year 8 – 12 Blackboard introduction
Monday 5 Feb  Year 5 – 7 Blackboard introduction
Monday 6 Feb  Please note the Apple Store Parent Information night has been POSTPONED – we will advise when a new date is set.

The following week students will then roll through sessions where they set up their electronic diary. These will be detailed in the next Bulletin along with some links to assist you in supporting your son.
Invitation

Dear Padua Parents

The P&F and Padua College invite you to join us to
Welcome New Parents
at drinks in La Foresta
On Tuesday 12th February 7.30pm-9.00pm

RSVP essential for catering purposes by 5th February 2013.

E-mail: admin@padua.qld.edu.au
January, 2013

Dear Parents,

The Pastoral Parent Care Program is part of the Padua P&F Association and is aimed at bringing families together to “enhance the Franciscan value of hospitality and welcome”. We are in the process of forming the 2013 Parent Pastoral Care Committee.

Parent Pastoral Care Committee

For each House parents can nominate to join the Pastoral Parent Care Committee. This role involves working with Michael O’Brien, Ben Lowrie and your House Guardian to coordinate parent support for year level and house activities, this maybe organise the occasional get together with parents at various school events or create your own, and provide support to families at the school should the need arise. This role and the load of involvement are very light. The committee meets, at most, once or twice a year to discuss and review upcoming activities. If you are interested in nominating for the committee please indicate this on the attached form.

Year Level /House Contact List

At the beginning of the year we request contact details from all families and compile a list for each year. A year/house contact list is then distributed to each family with boys in the same year. Many parents find this a useful reference particularly when trying to coordinate sporting event car pools and the likes. Please note it is optional to be on this list.

In addition, to assist with our tasks and help us with our communications, we would appreciate it if you can indicate on this form ways your family can contribute in the Padua Community.

Please return this response sheet to the office or via email admin@padua.qld.edu.au by Friday 22 February. After this date we will inform you and the members of the committee about the year/house lists and distribution before the end of term 1 2013.

We look forward to catching up with you throughout 2013.

Thank you for your support.

Samford Stags Rugby League Club is recruiting for the 2013 Winter Season and all interested players are invited to join. New players can register at our official Sign-On Weekend, February 2 & 3, 9am – 2pm at our clubhouse, Alan Cash Oval, Main Street Samford. Check our website www.samfordstags.org.au for further details.

Samford prides itself on a friendly, family-oriented atmosphere, and a recent upgrade to our facilities, courtesy of the Moreton Bay Regional Council will ensure that 2013 will be a most enjoyable season for players and supporters alike. With over 200 junior players in teams from Under 6 through to Under 17, and a well supported senior team competing in the Brisbane Rugby League Second Division, the Stags is a vibrant, growing club and a key part of the Samford community.

We look forward to seeing you at Sign-On!
