Dear Parents

Welcome back to the concluding term for 2013. If you are in any doubt as to the speed with which the end of the school year will be here, please look at the calendar and you will see the many events that fall in the space of eight weeks.

This week, we celebrate Franciscan Week. Many of the events that occur in this week can be directly linked to the Franciscan ethos, which is why we celebrate the life of this remarkable Saint in the way that we do. However, the underlying importance of the week is to remind ourselves of the life that St Francis lead and how we can emulate his life in a post modern world. Put simply, St Francis loved God and valued and respected all life, especially each individual that he met. If we can emulate these qualities, our lives will be that much more enriched. So, amidst all of the events that occur this week, please keep in mind the simplicity of St Francis’ life message in our very busy and complicated world.

In coming to the end of our school year, we naturally begin to plan and organize the 2014 school year. Critical in the planning of the first weeks is the completion of our new building. At this stage, it is going to be a very close finish, so watch this space.

Recently, the friars held their very important Chapter, which is central to the planning of their future endeavours. Congratulations to Fr Paul Smith ofm, who was re-elected as Provincial Minister for a further three years. Fr Paul is an ‘Old Boy’ of Padua and a great supporter of the Kedron apostolate. We wish him well for the next three years.
As the weather heats up towards the end of the year and the students look forward to their summer freedom, it is not unheard of for them to become a little ‘loose’ (in the modern vernacular). We will certainly maintain the structure and boundaries required here at Padua and I would ask that parents reinforce this approach at home.

This Saturday, the 1983 Seniors will hold their 30 year Reunion. It will be a privilege for me to show some of them around the school as they were the first Year 8s that I taught when I began as a teacher at Padua. It should be an ‘interesting’ reunion.

Best wishes for the next fortnight.

Pace e bene

Robert Out

Rector
During the holidays, I read a disturbing piece in The Sydney Morning Herald, written by a sixteen year old boy, Sam Wolfe entitled, ‘PARENTS PLEASE STOP LETTING KIDS DRINK’.

Sam noted the casual nature with which teenagers in Australia now regularly abuse alcohol and recreational drugs. How it has gone beyond the point where it is simply an issue for the minority, that it is now entrenched within the core of Australian adolescent experience. Indeed, Sam cited research from the Australian Medical Association that found in 2007, 37.3% of 14-19 year old binge drink.

He would like governments to do more. He said that the education he receives at school on the subject is trite and near meaningless. I see the irony when our Rugby Union and League stars are arrested for drink related violence, and their games are sponsored by companies that ply alcohol! Oh, the power of companies that have politicians on their Boards.

Pointing an accusing finger at parents, Sam claims that parents are unfit for the task of parenting if they believe that it is acceptable to knowingly host or supervise a party where minors are consuming alcohol.

A Sydney friend of mine, whose daughter works at St Vincent's Hospital Darlinghurst, tells me of the disturbing experience on duty in the Hospital’s emergency department on a Friday or Saturday night, where she witnesses the appalling damage done to teenagers, while their parents are at home, consoling themselves with "well its all part of growing up." She suggested to me that I should take Padua’s Yr 11 and 12 boys on a visit on a Saturday night to an emergency ward in a Brisbane hospital.

Our Rector, Mr Out has made the point to parents on many occasions that when parents want to be their children's friends rather than their parents, then tragedies may happen. Of course, your boys will want to push boundaries—that is their nature at that age.
But surely parents need greater backbone and assertiveness and to clearly stake out boundaries and to enforce them.

Now it won't be too long before our Seniors say "good-bye". Their first experience as so called adults is "Schoolies". Here we have a week, a year in the planning, where the boys will independently spend a week largely fuelled by alcohol. What a culture is ours?

House Celebration Day

Each year at Padua College, the winner of the Edwin Nally Cup is rewarded with a trip to Wet 'N' Wild Water Park to acknowledge their success and participation in the College House competition. During the competition, students are able to accumulate points for their House based on academic achievement, participation in Co-Curricular activities and social justice involvement. This year the winner of this competition was Grigg House.

As a reward for their success, Grigg House will be off to Wet ‘N’ Wild Water Park on the Gold Coast this Friday. We wish them luck on their day out.

All other students are expected to attend normal classes on this day.

Daily Attendance

Over the coming weeks each student in Years 8-12 will receive a Pastoral Care report commenting on their individual involvement and commitment to the Pastoral life of Padua College. For a select group of students, this report will be accompanied by a certificate of attendance for those who have achieved 100% attendance during the 2013 school year. My congratulations go to these students on their commitment to their studies and College life in general.

Consistent regular attendance and daily punctuality are two very important components of a student’s education. The resilience learned through consistent daily routine, helps prepare each individual for their working life ahead and provides students with the greatest exposure to curriculum content. I was recently given a table outlining the impact student absence or late arrival to school can have on a student’s learning. This table (listed below) echoes the previous sentiment and is one all parents should consider.

Student Absence

In the event a student is absent or is going to be absent, all families should prioritise contacting either:

**Term 4 Exam Blocks**

With the end of year fast approaching, I ask that you consider your sons assessment schedule before planning for an early finish to the school year. It has always been the practice at Padua to have assessment in the last week of Term 4 and that continues this year. Please note that the College has decided to provide the Year 10’s with the same exam privileges in Term 4 as their Year 11 counterparts and therefore, the Year 10’s will take part in an external exam block, meaning that they are only required at the College for published exams during that time. Exam Timetables and Assessment Calendars will be issued next term.

- Year 12 (External) – Tuesday 05/11 to Tuesday 12/11
- Year 11 (External) – Thursday 21/11 to Friday 29/11
- Year 10 (External) – Tuesday 26/11 to Friday 29/11
- Years 8 & 9 (Internal) – Tuesday 26/11 to Thursday 28/11 (Exams and study times allocated)
- Years 5, 6 & 7 – No formal exam block will be allocated – Students will sit exams and submit assessment as stipulated by the teacher – An Assessment Calendar is published in Term 4 as a guide but these are subject to change.

**Requesting Term Time Absence**

The procedure for requesting term time absence for your son was outlined in the last bulletin and can be accessed via the College website [http://www.padua.qld.edu.au/curriculum/curriculum_overview](http://www.padua.qld.edu.au/curriculum/curriculum_overview)

All requests for term time absence should be directed to the Rector and upon receipt of that communication, you will be emailed the procedures and considerations and a notification form which must be submitted to the Vice Rector of Teaching and Learning at least two weeks prior to the planned absence. This communication is vital in order to ensure that your son’s assessment and results are not adversely affected as a result of early departure. The procedure available at the link above clearly outlines the expectations of the College in this regard.

School Fee Accounts

School fee accounts for Semester 2 were sent by mail on the 19th July, 2013 and were due for payment by the 20th August, 2013. This was the final account for the year.

If you are NOT paying your account by direct debit your fees are now overdue. Please arrange for settlement of your account prior to commencement of Term 4.

Please Note: All parents receive a statement – whether you pay directly to the College or have a Direct Debit in place.

Compulsory School Bags

Will be introduced in 2014.

More information will follow in subsequent Bulletins.
Welcome back to what will surely be a very fast term. Hopefully there will not be too much need for this information but just in case your son’s iPad didn’t fair too well over the break here is the warranty and insurance information again.

**Insurance claims through College Provider (CCI)**

Please follow this process if you are making a claim against your CCI Insurance policy for iPad damage/replacement:

**OPTION A – Apple Store Chermside (this is recommended for replacements of broken screens)**

Take the iPad to the Apple store for report.

If the iPad can be repaired, please organise for the repair and ask for a copy of the invoice for the cost of repair and forward with the claim for to CCI. The claim form is available at [http://www.padua.qld.edu.au/curriculum/technology](http://www.padua.qld.edu.au/curriculum/technology)

If a replacement is needed, ask for an Apple replacement quote (cost of a new iPad) which is to be forwarded with the claim form to CCI. The Claim form is available at [http://www.padua.qld.edu.au/curriculum/technology](http://www.padua.qld.edu.au/curriculum/technology)

If CCI accept the quote they will settle with the parent/s

Apple will retain the iPad – please inform the College if this occurs

**OPTION B – Through alternative retailer**

Obtain a replacement cost for the device and forward claim form with that information to CCI

You will receive a payment for the replacement of the device less the excess of $150

OR

Purchase replacement device and forward invoice with claim form to CCI. They will reimburse you for the cost less the excess of $150

**Return the damaged iPad to Tanya Anderson** at the College – we will then make arrangements for CCI to collect the damaged iPad.

Claim forms can be found at [www.padua.qld.edu.au/curriculum/technology](http://www.padua.qld.edu.au/curriculum/technology)
Now may also be a good time to think about whether you wish to continue or join the College’s insurance offer for 2014 as there are some Home and Contents Policies which will not cover iPad damage outside the home. The cost of this will be finalised and released towards the end of the year.

**Ipad Checks**

Just a reminder that each Monday PC and Class teachers will check iPads for games and apps that are not school related. This particularly applies to games and social networking apps.

It should become part of your son’s routine on a Sunday night to check and tidy up his iPad ready for the school week.

**iOS7**

Students have been asked to update their iPads to the latest Software (iOS7.0.2) Please ask your son if he has done this – a number have already! We need it to be done by next Monday if possible. If there is an issue with wi-fi access at home, please ask your son to come and see me to organise a time to update his iPad.

As our year end approaches, I would like to remind everyone that when placing second hand clothing for sale, all items must be in good, wearable condition.

**Blazers** must be in good order, dry cleaned, on a coat hanger and still covered in the plastic bag from the dry cleaners. These will be held for three years. If they are not successfully sold, you will be informed so you can decide what you would like done with the blazer.

All other second hand clothing will be kept for one year only. It will then automatically be donated to the Missions.

The Convenor will price all items and also decide if an item is suitable for resale or not. Clothing bought second hand cannot be resold again, EXCEPT FOR BLAZERS.

Dear Parents,

We are on the Padua P&F Association committee for 2013 as the Pastoral Care Parents or we like to think, Community Care Parent. Our aim with the P & F is to bring families together to “enhance the Franciscan values of hospitality and welcome”.

**Parent Pastoral Care House Committee**

We thank those parents that have returned the ‘Family Response Sheet’ earlier this year. At the Assisi campus, we have now emailed out a contact lists for each House. There is a parent representative for each House. Should the need arise to provide a meal and to provide House Eucharists event support, these representatives will be in contact via email from their contact list.

It is never too late to join your House contact list, please fill in Family response sheet return to the office or via email admin@padua.qld.edu.au

**House Eucharists**

Traditionally, families provide a plate of food for supper to enjoy after each House Eucharist. **Odoric House** will hold their Eucharist on 16 October. Greg Lavey will contact Boyd-Boland families for assistance on this evening. Similarly, on the 23rd October 2013, **Boyd-Boland** House have their Eucharist. Marty Raadschelders, Acting Odoric House Guardian, will send an email to Odoric families looking for volunteers to help set up, serve & clean up after the Boyd-Boland Eucharist.

If you would like to volunteer for this House Eucharist evening, please fill in the Family response sheet as mentioned earlier. In addition, to assist with our tasks and help us with our communications, we would appreciate it if you can indicate on this form ways your family can contribute or suggestions for how to help in the Padua Community.

Thank-you for your support,

A CALL FOR PRAYER

The National Day of Prayer for Mental Illness
Awareness Recovery and Understanding began in America in 2004. It has gained widespread support. A Nouwen Network, an Australian cross-denominational outreach, invites you to join with us in participating in this annual day of prayer on the Sunday of, or immediately following 10th October – World Mental Health Day. Workplaces of church organizations and schools are invited to participate in the day of prayer on a weekday of choice during Mental Health Awareness Week. (This week is held annually Australia wide to coincide with World Mental Health Day.)

We do not suggest that there is just one way in which this day should be celebrated. Participate in whatever manner best suits your own faith community. You can download helpful Worship Resources to use for the Day of Prayer on the Home page of the Mental Health Ministries website.

Under 12 Boys Hip Hop Program

Our brand new Boys Hip Hop Program has started. The program runs every Saturday from 4:00pm to 5:15pm at the CSA Studio located at 55 Toombul Road, Northgate. All boys aged 8 to 12 are invited to join in. This is a style anyone can learn, no prior training is necessary. If you find you naturally love to dance when your listen to music when your hanging out with friends, when your in the in the car listen to the radio or just chillin’ at home this is the style for you. Refine your skills, tricks and chase that feeling of mastering a routine. That’s what we are all addicted to here at CSA the feeling of getting those skills, a routine and just feeling free when we’re doing what we love.

Term fees for this program will be a special introductory price of $150.00 per term for the rest of 2013.

To sign up for our awesome program contact Sanford McMurray at cheersport@me.com or call 0415 805 256
