Dear Parents

Recently, I attended an Association of Heads of Independent Schools Australia meeting. On this occasion, a performance psychologist, Dr Joann Lukins, was speaking about ‘Resilience’. Admittedly, she was speaking to Principals about building their resilience, but I was drawn to some of what she said in relation to boys generally and at Padua in particular. She described resilience as the ability to bend but not to break and she also said that resilience can only be developed through facing challenges. My first point, then, is that we really need to think about how we guide our young men through challenges. To take the challenges away all together will not assist in developing resilience. Therefore, it is important for boys to face adversity and to take on challenges. As adults, we need to guide them through such times and support but not protect them from the challenges.

Dr Lukins identified four types of resilience:

- Physical Resilience
- Mental Resilience
- Emotional Resilience
- Social Resilience

In discussing mental resilience, she developed a major point about self-regulation. I’m sure that any parent would identify self-regulation as a difficulty for teenage boys. Partly, this is because the frontal lobe in children does not develop fully until they are adults. In boys, sometimes the frontal lobe is not fully developed until the age of 25. Some factors that slow or even retard the de-
Development of the frontal lobe are alcohol, drugs, excessive use of computer games and watching TV. Factors which enhance the development are reading, structured mental activity (learning) and quality social relationships. Dr Lukins specified four factors which make it difficult for someone to self-regulate behaviour. The factors are if someone is hungry, angry, lonely or tired. For parents, it is probably worth evaluating how the boys come to school. Do they eat breakfast? Have they had enough sleep? What is their emotional state? Obviously, we all want the boys to develop self-regulation (self discipline), but we need to give them the best opportunity to do so.

Finally, Dr Lukins made a very valid point about the journey from childhood to adulthood. The image she presented was of a child learning to walk. The child approaches this challenge very positively and with determination. The child accepts the trials and errors and eventually succeeds. What happens between childhood and adulthood determines how an adult takes on challenges and how resilient and positive the adult becomes in life. There is certainly something to think about for all of us in relation to resilience.

Over the coming weeks, the boys will be faced with a number of academic challenges as they complete assessment and undertake exams. They may need some guidance with self-regulation in terms of devoting the appropriate time to these challenges.

Best wishes to all for the coming fortnight.

You may have noticed at the beginning of each week in the 2014 Paduan Calendar, there is mentioned a particular Franciscan virtue. I write a short commentary for the staff on each of the virtues. A couple of staff have suggested I widen my audience to include the readers of Padua Bulletin.

So I will include some of the virtues already covered, and include others as the time arises.
Fr John

The Virtue of Respect

At Padua we use the words "courtesy" and "respect" often. In the using of these words with such frequency, have they lost their meaning? It seems everyone wants and demands respect. Woody Allen, in one of his films, describes a man with these words, "This man is an utter fake, is stubborn, lazy, and not worth the time of day." The he adds, "I say that with all due respect."

The word "respect" comes from two Latin words, translated to English, respect means that "we stand back and look at a person as he/she really is". The opposite is "manipulate", it means to mould or influence a person into something he or she is not.

In the Franciscan tradition, "respect" is an aspect of charity and justice. There is no one who respects us more than God, He who created us out of love, and made us in his image and likeness.

We live in a world of manipulation (that's what advertising is all about), but as followers of Jesus Christ, we must be as respectful of those around us, as much as is possible. Of course we experience personality and temperament differences with members of our families, and with those we work with - and being respectful can sometimes be really difficult.

We can be biased and judgmental of those we might judge as strange, stupid, or self-serving. Some we might judge as beneath our respect - that is not Christian!
Student Absence

In the event a student is absent or is going to be absent, all families should prioritise contacting either:

The College Absentee Line: 3857 99 00

College Absentee Email: absent@padua.qld.edu.au or absence@padua.qld.edu.au

All Absentee information should come from a parent, guardian or carer. Students emailing their own absentee information will not be accepted.

PRAYER

Loving and caring God, you have given to all of us the gift of creation. May we in everything we do show respect for this creation, for the members of our families, for our friends, but especially for those who annoy us and make life difficult for us. Give us the strength to rise above our prejudices, and extend our hands of friendship and respect to all.

We make this prayer through Christ our Lord.

Amen

One of the distinctive features of Francis' great poem, The Canticle of Creation is its use of "brother" and "sister". This shows vividly how Francis understood his relationship to all creatures, their relationship among themselves, and the relationship of everything in the universe to God. This was a deep seated conviction, that in the sight of God, all human beings, indeed all of creation is worthy of respect.
Term 2 Sports Dismissal

All families are reminded that Term 2 each year sees the introduction of our Sports Dismissal Bell. On Tuesday and Thursday afternoons, Pastoral Care & lunch time are shortened to allow for the 2.50pm dismissal for training of Rugby and Football players.

All students not training for Rugby and Football will be supervised on the College grounds.

These changes will not result in the loss of any teaching time.

Year 5 Camp

Yesterday, I had the pleasure of attending the Year 5 camp for the day. It was great to see our newest students enjoying all the facilities of Amaroo and the surrounds of the Noosa Hinterland.

Whilst away, amongst other things, the boys got to screen print shirts, go body boarding at Noosa Main Beach and learn more about Padua’s bullying policy.

All students had a great time and are looking forward to their further adventures at Amaroo.

Technology Use at Padua

In the past weeks, there has been a number of examples of inappropriate technology use at Padua College. All examples have been dealt with in accordance with the ‘Appropriate Use of Technology’ agreement signed by Parents and Students.

As the College prepares to roll out a Mobile Device Manager (MDM) to assist with the education of appropriate technology use and on task behaviour, all families are encouraged to please re-familiarise themselves with the before mentioned agreement.

It can be found in the Padua College Student Handbook.

Exam Block Conditions
In the coming weeks, the Year 11 and 12 students begin their Term 1 exam block. All families of Year 11 or Year 12 students should be aware of the conditions that must be met as a part of the exam block privilege:

- During exam block, students should either be at home or at school studying. Students are not permitted to work (unless previously organised) during this time. Regular work placement/School based apprenticeships are the exception.
- When transiting to and from the College, students should not be at local shops, shopping centres etc.
- When attending school, all students should be in full school uniform, including hats. Students should also meet the usual College expectations regarding hair and grooming.
- Students should arrive to school at least 30 minutes before each exam and will be required to attend for the duration of their exam.

Any failure to meet these exam block conditions may see a student’s privileges revoked.

Why don’t we let our children experience risk?
“Today’s generation of young people has not developed some of the life skills kids did 30 years ago because adults swoop in and take care of problems for them. When we rescue too quickly and over-indulge our children with “assistance,” we remove the need for them to navigate hardships and solve problems on their own. It’s parenting for the short-term and it sorely misses the point of leadership—to equip our young people to do it without help. Sooner or later, kids get used to someone rescuing them: “If I fail or fall short, an adult will smooth things over and remove any consequences for my misconduct.” When in reality, this isn’t even remotely close to how the world works.”

Student Diaries

As mentioned in the last two bulletins, Blackboard is now being used as the Student Diary at Padua. If you have concerns that your son is not getting homework or is not entering his homework, please direct your concerns to his subject or class teacher. I ask that you regularly ask your son to see his diary via Blackboard or regularly check your linked calendar so that your son realises that recording his homework is an expectation both at school and at home.

Student Printing at Padua

It is our expectation that students print their assignments at home and bring them printed on the due date along with any other material requested by the teacher as part of the assignment submission. While students do have access to printing at the College, it is limited and is designed to support students who have had IT issues at home or who have simply run out of ink before printing the final page. A student printer can be found in the Assisi Library for Assisi students and in the Greccio Library for Greccio students.

Due Dates and Non-Submission of Assessment

We are now well and truly in the midst of assignment season and the following are a few points that families should be aware of.

- An assignment is always due in the lesson on the due date unless the teacher has made an alternative arrangement with the students due to an interruption such as the Swimming Carnival and such a change will be communicated to students.
- Students should submit a complete assignment package including the task sheet, good copy, marked drafts and notes (as directed by their teacher) in their lesson on that day.
- Should a student not be able to present a good copy on that day, they will receive an academic detention and be given the lesson to finalise their work either from their draft, notes they have with them or from scratch if they do not have anything with them. This work will be marked as their good copy. The boys are aware of this.
- If your son has a genuine reason for an extension, an extension application must be completed and signed off by the Head of Curriculum for that subject. As with everything, communication in advance with the Head of Curriculum and classroom teacher is the best policy in this regard.
- Non-submission as a result of Term Time Absence is covered in the Term Time Absence Procedures on the College website.
Assignment Extensions

Should there be genuine grounds for an extension, your son must complete an Assignment Extension form which they can obtain via their class teacher or the College website under Curriculum/Assessment Overviews, and submit it to the Head of Curriculum for the subject. If your son does not have a signed off extension form before the due date, then he does not have an extension and the policy above will be applied. If you know of situations in advance, please communicate this directly with the Head of Curriculum as early as possible. Similarly, if a situation arises last minute, please ensure that either the Head of Curriculum or myself are made aware.

NAPLAN Information for 2014

NAPLAN tests skills such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN tests are not pass/fail tests. NAPLAN tests provide very valuable information, but there are no consequences for individual students for poor or good performance. At the classroom level it is one of a number of important tools used by teachers to measure student progress.

NAPLAN tests will be held on 13-15 May, this year.

**Senior Studies – Ms Trish Dwyer, Head of Senior Studies**

**The ‘Sunday session’ at Padua.**

Last Sunday, 9 March, Padua Auditorium was the venue for a ‘Sunday session’ with a difference as a large number of adults and students came to school for the afternoon to learn how to excel at exams. This was the first in this year’s series of ‘Study Skills Seminars’ for parents and students.

The students ranged in age from Year 7 to Year 12. Thirty-three Padua families were joined by others from Mt Alvernia, and other local schools. It was great to see so many parents learning alongside their children on a Sunday afternoon.

The presenter was Mr Patrick Sherratt, an educator, public speaker, author and trainer, from New Zealand who has visited Padua annually for a number of years. He was in Brisbane for the week-end having just completed a two-week round of seminars in other Queensland towns including Cairns, Townsville, Harvey Bay, Bundaberg and Maryborough. His books are available for purchase.

Seminar participants learned a set of strategies to improve their learning, including: how to switch on their brains to learn quickly and to think in ways which improve performance; how to use relaxation techniques to improve learning and reduce stress; how to enhance memory retention by using picture-association techniques and to build their confidence by rehearsing recall and visualising ideal performances on the day.

A special mention must be made of Joshua Ryan of Year 8, who volunteered to join Mr Sherratt on the stage to demonstrate the importance of making strong, colourful and humorous visual images of information that we wish to learn, because these make the information more vivid and memorable. I am sure few of us who saw it will forget the sight of young Joshua standing on a chair wearing a multi-coloured coat and court jester’s hat and huge red sunglasses. Thank you Joshua!

The feedback from the seminar participants was, as always, very positive. Our aim in presenting such seminars at Padua is to give our students and parents an opportunity to learn together important skills which can then be shared and reviewed at home where much of the students’ learning needs to occur.

It is gratifying to see how many of our families take up these opportunities each year and we hope to continue to offer such presentations on similar and related topics as this year progresses.

We must thank Mr Jason Pacey, Vice Rector, Teaching and Learning, and Mr Paul Mansfield, Head of Curriculum Years 10—12, for their support of this event and Mr Bob Out, the Rector, for allowing us to use the College Auditorium on a Sunday so that more families could attend together.
From Teaching & Learning

I would like to welcome all new staff to the Social Science Faculty and welcome back those who have realised what they were missing! It has been a most exciting yet busy start to the term and it is through the efforts and professionalism of the staff that we have made it to this point.

Last week our Year 8 students were treated to a hands-on display of medieval life hosted by Living History Australia. The College has established a long-term relationship with the company which continues to deliver an engaging program. Two half-day workshops were shown with the day’s events closing with a mock-combat display. From all accounts the boys enjoyed having the opportunity to experience what it was like to be a knight, an inquisitor, or live like a lowly peasant. Thank you to all staff that helped with the organisation of the day.

Our Year 6 students are currently studying immigration and have listened to a number of guest speakers over the last couple of weeks. Fascinating stories were told by Adam, Sam, Osmand and Kayode, and our boys now have a renewed sense of appreciation for the rights and freedoms cherished in Australia. Sincere thanks must go to Ms Megan Moffatt for organising these events. I would also like to acknowledge Anita Lamb-Nicholls and Mark Taylor for their assistance.

Since 2012, the Kedron-Wavell RSL sub-branch has very generously sponsored a number of boys to attend the Canberra Anzac Day Dawn service. This year, the College will be taking Charles Syvret (Year 12), Aaron Bell (Year 12), Joshua Buckley (Year 12), Ethan Carey (Year 11) and Samuel Collins (Year 10). I would like to acknowledge Ethan and Sam for taking on the role as liaison students for the RSL. The College has established a very good relationship with the sub-branch thanks to the efforts of these boys.

Last year, I made an announcement that the College was exploring the viability of taking a group of boys to Vietnam in April 2015 as part of our centenary of Anzac celebrations. The initial response by the students has been very positive but sadly a few boys have had to withdraw from the tour. If you are interested in getting your son involved or require further details please contact me at the College. (bsitarz@padua.qld.edu.au)

The Premier’s Anzac Prize has been announced for 2015 and applications are being received from 25 April, 2014. I would strongly encourage all boys to put a submission together to be in the running for an all-expenses-paid trip to Gallipoli for the 2015 Anzac Day dawn service. Details are available on the Queensland Government’s website.

I would like to wish all of our students the best of luck for their upcoming assessment and I thank them for their commitment to their studies in the social sciences.

Ben Sitarz
Greccio Campus students continue to demonstrate the Virtues they are learning about this term. The past two weeks has seen 6KA and 5BD present the virtues of Humility and Fraternity to the community. The effort made by the students to present memorable and worthwhile contributions of the virtues are a credit to their own hard work and direction of the staff.

Each class has been busy during PC time looking at the topic of "Bullying", this introduction to bullying forms an integral component of our Bullying policy. Next term the students will examine the different types of bullying that can occur and it's effects. Ask your sons about the 'Kid President' and see what they can tell you!!

Weeks 6 and 7 see the Year 5 students head to Amaroo for Camp. For some students, this marks their first night away on a school camp and provides each young man with the opportunity to make new friendships and develop a bond with their Class Pastoral Care teacher. Each student was also shown a presentation on "Bullying", signed their own bullying contract and learnt about the Pastoral Levels at Padua College. Apart from that, they screen printed a camp shirt, orienteered around Amaroo itself, went to Noosa Beach for a swim, completed basic elements of the low ropes course and sampled sumptuous foods.

It always busy at school and we love seeing the students learn, grow and experience new things together in our Franciscan Environment. Keep well and best wishes.

Year 11 Construction Certificate II course (31st March – 4th April 2014)

Boys enrolled in the Construction Certificate Course are required to spend the last week of Term One at the Salisbury campus of Careers Australia. Here, the boys complete modules which Padua is not equipped to deliver. Padua works in partnership with Careers Australia to train Padua students in construction modules.

This is a compulsory part of the course for the boys doing the construction certificate only.

Boys doing Furnishing are NOT required to attend, and will be expected to attend normal classes.

The boys need to make their own way to Careers Australia, best done via train.

The address is 460 – 492 Beaudesert road (just opposite the bridge flyover).

Salisbury train station is about a 5 minute walk away.

Classes will begin at 8.30 am each morning, and boys are expected to arrive before this time to allow classes to start promptly.

Work Placements

Boys involved in Work Placements Program should have all now received their placements.

I have either sent these digitally via email, or given boys hard copies.

Once the employer has been contacted and a work day agreed on, the form needs to be returned to me with the relevant signatures and an indication of the work day.

It MUST be signed by:

Student
Parent/guardian
Employer.

These are kept on file and are used if an insurance claim is made due to an onsite work accident.

These forms are required to be completed by Qld government, as they provide the insurance cover for students involved in work placements.

Fees for Construction and Engineering certificates

Students completing these certificates will be required to pay a fee to Careers Australia.

Based on the current memorandum of understanding, the fee structure is:

<table>
<thead>
<tr>
<th>Yr 11</th>

Will You Be The One?

West Ham United Football Club from London, England, have arguably one of the greatest youth academies in the world. In recent years the likes of Rio Ferdinand, Frank Lampard, Michael Carrick, Joe Cole and Glen Johnson are all graduates of the West Ham United Academy. The West Ham United International Academy has been established to identify players who may one day be good enough to play for the West Ham first team - Will you "Be The One"?

When: Monday 14th and Tuesday 15th April
Where: Padua Playing Fields, 222 Elliot Road, Banyo
Time: 10am-12 noon and 1pm-2:30pm
bring packed lunch, hat, water bottle, shin pads and sunscreen
Cost: $153
Other: To register go to:
www.westhamacademyinternational.com

The camp is open to U9-U18 boys and girls and will be overseen by a senior member of the West Ham United International Academy coaching staff. The camp will consist of coaching methods and drills from the West Ham United Academy, with each player receiving a West Ham United International Academy camp t-shirt. Players excelling at this camp will be invited to the 2014 OCEANIA RESIDENTIAL NATIONAL CAMP, under the guidance of West Ham United Assistant Academy Director, Paul Heffer. Players excelling there will be invited to London for a West Ham United Academy experience.

Last Tuesday evening the P&F held their first official meeting of the year. This meeting was well attended and it was fantastic to see some new faces.

At the meeting Bob Out, Rector and Barry Keegan, Business Manager, took the group on a tour of the new building, our boys are so lucky to have these wonderful new facilities. Bob Out provided an update on what has been happening in the first term. We had a visit from Anthony Hoiberg, a Padua Old Boy, who presented to the group on Reverse Alert - automatic braking system. Reverse Alert will be doing a media launch on Friday at St Anthony's at 9.30am. The P&F will be taking on this fundraising opportunity and information will be distributed soon.

Erica Patterson and Di Morris provided updates on what has been happening since the start of school. Both ladies have done a wonderful job promoting Pastoral Care for their respective campuses. Further discussions were held on topics for guest speakers to attend future meetings and parent forums during the year, so watch this space for topics and dates.

The next P&F meeting is to be held on Tuesday 13th May 2014. P&F meetings are held in the staff room, located in St Francis Hall and starts at 7.30pm. A light supper will be provided afterwards. It would be fantastic to see new faces and listen to new ideas.

HOUSE EUCHARIST VOLUNTEERS

Dear Parents/Guardians (Yr 7-12)

As a part of our Padasa College “Pastoral Parent Care Program” (PPCP) we arrange volunteers for each Eucharist. The House Committee is a subcommittee for the Padasa P&F Association. It is our aim to bring families together to “enhance the Franciscan value of hospitality and welcome”. We have formed a House Committee for the Pastoral Parent Care Program Committee and currently require a House Coordinator for Mitchell*. Interested Mitchell parents should email the following form and pick House Coordinator and/or attend the volunteer House Leaders training at 7:30pm on 18 March for Belrne House Supper.

Attention Belrne House Volunteers join the House Committee members for serving Supper after Eucharist. The first House Eucharist is Belrne on Tuesday 18 March 2014. Traditionally, families attend the Eucharist provide a plate of food for supper. Probably by now the House Guardian for Belrne, Mr Paul Sant, has sent out an email reminding families about the House Eucharist. While the Belrne families are enjoying the Eucharist in the Little Flower Church volunteers will help with setting up for supper and packing up. The next House for their Eucharist is Boyd Boland which is held on Wednesday the 25 May. The Boyd Boland volunteers will assist with Belrne’s supper.

For the 18 March, we have enough volunteers from the House Committee* (looking for a Mitchell House leader) and Boyd Boland volunteers. For those that wish to assist to volunteer with the Belrne House Committee members for Boyd Boland House Eucharist on the 15 May 2014, please fill in the following form.

2014 House Eucharist Dates

18 March Belrne House Eucharist - Boyd Boland volunteers set up & clean up supper (Training Night for House Committee - Mitchell House Volunteers welcome, otherwise no more volunteers required)
15 May Boyd Boland House Eucharist - Belrne Volunteers set up & clean up supper
22 May Mitchell House Eucharist - Kirby Volunteers set up & clean up supper
28 August Kirby House Eucharist - Mitchell Volunteers set up & clean up supper
15 October Oudonc House Eucharist - Grigg Volunteers set up & clean up supper
28 October Greg House Eucharist - Oudonc Volunteers set up & clean up supper

For those whom wish to volunteer at any of this future House Eucharist, please tick to indicate on the following form if you would like to volunteer and return the main office or via email admin@padasa.qld.edu.au

Year Level/House Contact List
At the beginning of each year we request contact details from all families and compile a list for each year. A year/house contact list is then distributed to each family with boys in the same year. Many parents find this a useful reference, particularly when trying to coordinate sporting event car pools and the like.

Please note it is optional to be on this list.

Please return the form(s) to the office or via email admin@padasa.qld.edu.au it is preferable the form(s) are returned as soon as possible. At the P&F meeting at the P & F on Tuesday 11 March 2014 we have informed the P & F with the Greccio’s Year 5 & Year 6 Coordinator and at Assisi’s House Coordinator Committee members. These PPCP members a Greccio and House Coordinators will distribute the contact lists by the end of Term 1.

We look forward to catching up with you throughout 2014.

Thank you for your support.

PADUA PASTORAL PARENT CARE PROGRAM

Pastoral Parent Care Committee

We encourage your involvement to enhance the values of Franciscan hospitality and welcome in the Padua community. Please volunteer to join the Pastoral Parent Care Committee. We won’t ask too much from you. You would be liaising with your House Guardian, Pastoral Guardian or school representatives to coordinate parent support for your year level and House activities. This might be to organise the occasional get together with parents at (or separate to) school events and support families should the need arise. The Committee will only meet once in twice per year. Please complete this ‘Nomination Form’ and we’ll be in touch with more information. If you have any further questions, please email admin@padua.qld.edu.au: Attention Pastoral Parent Care – Assisi or Greccio Campus.

I would like to nominate for a role and participate on the Pastoral Care Committee as Assisi (Years 7-12) for 2014. Please list your preference: [ ] House Coordinator [ ] House Committee Member [ ] House Eucharist Volunteer

I would like to nominate for a role as Year 5 or 6 Coordinator (Greccio) and participate on the Pastoral Care Committee for 2014.

Contact List

Each year we compile contact details from Padua families and then distribute the list to each family with children in the same year/house as their son. Many parents use this when trying to coordinate sporting events or pools and it helps to strengthen connections and partnerships in the school community. If you would like to be included, please complete this ‘Padua Pastoral Parent Care Program Contact List’ form and return it either via email to admin@padua.qld.edu.au or to the Padua office. The list will be distributed near the end of Term 1 2014.

**Sony Foundation/Marist Children’s Holiday Camp**

Planning is now under way for the Twelfth Sony Foundation Marist Children’s Holiday Camp. This means that we are inviting applications from families with children who would benefit from participation. The camp provides four days of care, friendship and entertainment for children with disabilities. It also provides families of these children with some respite as senior students volunteer to take on the role of companions. The camp offers facilities, twenty-four hour medical staff and care of the highest standard. Due to the demand for places, children can attend the camp only once.

As we are supported by the Sony Foundation in this camp there will be no cost to parents.

The camp is held at Marist College Ashgrove from Saturday 20 to Tuesday 23 September, 2014. We are hoping to include children from both city and country areas. If you know of children and their families who may be interested in further information about the camp, please contact:
