Dear Parents

As I reported in the last Bulletin, the Definitory of the Friars attended the AGM of Padua College Limited and had a tour of the school. The current Definitory consists of five new friars to the role. Three of them have spent some time in Kedron in the past and one in particular, Fr Ken Cafe, spent quite a few years at Padua. In fact, the then Br Ken began the forerunner to our current vocational education program, CTC, the Career Training Certificate. In 1978, this was a very innovative program in senior schooling and its influence extended into many schools, as they came to realize that boys’ talents and interests weren’t always aligned to University courses nor were the boys always able to get apprenticeships. Br Ken was also the Vice Rector of the College, after Michael Grigg left the school to join the friars. This brief trip down memory lane has a purpose. The friars were very impressed with the school. Fr Ken wrote to me to express his thanks for our meetings. His final paragraph was

\[\text{Every best wish for the rest of the year and for the official opening of the new building and facilities. It is gratifying to see the Franciscan spirit alive and well in both staff and students.}\]

The mention of the Franciscan spirit is a useful segway to the Franciscan concepts of community and commitment. So far, we have had two House Eucharists with the Mitchell House Eucharist on Thursday week. These celebrations are very important to the spiritual and communal life of Padua. Unfortunately, commitment is sometimes ‘mitigated’ by convenience. If commitment is not convenient, then we are not obligated to honour the commitment. All families sign a commitment to the House Eucharists in the Conditions of Enrolment. Please honour this commitment, because in doing so, the boys are not only learning about commitment but also, through experience, the benefits of community.

\[\text{continued}\]
This Saturday is a home game for the AIC. We have advertised the round as a ‘Back to Banyo’ fixture to Old Boys and past families. It should be a great day so if you can get along to it, I’m sure that you will enjoy the atmosphere.

This weekend seems to be all about Padua. The Open Day is on Sunday, which provides a great opportunity for parents and families to tour the new Santa Croce building. It is also a wonderful opportunity to experience the talents of both staff and students, in terms of what Padua offers on a day to day basis. Once again, if you can make it, please do.

The students are already almost half way through the term. Assessment will become due soon and exams are looming for all students. Please assist your sons with their priorities and time management as we move rapidly through Term 2.

Best wishes for the fortnight.

Pace e bene
Robert Out
Rector
It is a wide spread fallacy that the education of the young can be improved and that they can end up as better performing students by increased government funding and a higher standard of teacher education. Policy makers fail to acknowledge that there are three stakeholders in our children's education, and that the most important of these is family.

I believe that for too long parents have evaded much of their responsibility. When I hear our politicians state that teachers are the most important variable in lifting student performance - I see it as a delusion.

The truth is parents are and always have been and always will be any child's most influential teachers.

Children learn infinitely more at home between the ages of zero to five, than they do over the next 13 years in the classroom. Parents are the key, not because they teach facts and skills, but because they teach the attitudes and cultural values that lie behind attaining those facts and skills.

Teaching a child a love of learning, reading with your little one each day, modelling reading, having books around the house - teaching them to read for enjoyment, to sit quietly at times and reflect on what they know- these are the secrets to successful school performance.

I suspect too many children begin school already indoctrinated with such dubious values as, "you are the most important person in the room", "being popular is more important than being capable" and "being the strongest, toughest, loudest, and fastest means you are the best."

No parents should cease educating their child just because they have sent them to school. Parents and teachers must work together.

Fr John
"I have come not to be served, but to serve."

These words of Jesus remind us that serving others is not just one bullet point among others for the Christian and that living for yourself is not a valid option. It won't make you happy. Our response to God's love for us is simply our care and service to one another. This is why we were created. That is what we are supposed to do. That is how we find that lasting peace we all desire.

Our church is essentially a church of service.

Christian commitment to serve others fulfils the commandment of Jesus, that we should love one another. It is this that inspires Christians to support institutions of charity - hospitals, orphanages, soup kitchens, prison chaplaincies. Here at Padua, we remember Saint Francis and his service to lepers and the poor. This example prompts us in our support for Rosie's, the St Vincent de Paul Society, The Little King's Movement, the Samaritans, and the Franciscan Appeal for the students at St Francis School, Timor Leste.

The Christian model of leadership is that of servant leadership. In the Christian context, leadership is above all about service. One of the ancient titles of the Pope is "servant of the servants of God." We can certainly see this in Pope Francis and his exhortations about our primary vocation, which is to be of service to the poor, and that all our choices should always be in terms of preferential option for the poor.
From the Pastoral Care Team

Life After Padua – PALS Year 11

Over the last three weeks the students of Year 11 have been involved in a panel style presentation with a number of Old Boys of Padua about their life experiences post school. The 13 gentlemen (listed below) have kindly given of their time to share their school memories and career choices, as well as offer practical, career and life advice to the boys.

The Old Boys represent a cross section of the working community. Teachers, police officers, actors, comedians, business owners, tradesmen and musicians were just a sample of the chosen career paths that were represented.

The 4 week series has allowed the Year 11’s a great insight into the working world and for some, an opportunity to network with a professional already achieving in their chosen field.

On behalf of Padua, I’d like to thank all of the old boys who were able to give of their time for our students.

Thank you to:

Anthony Cau – University Student
Eric Newburn – Musician
Steven Hooper – Strength and Conditioning Coach
Michael Jones - Detective
Damien Fall – Teacher/Vice Principal
James Tinniswood – Law Clerk / Comedian
Brian Brady – Real Estate Owner
Damien Garvey – Actor/Film and TV/Voice overs
Anthony Krajewski – Cabinet Maker/ Business Owner
Chris Holding – Construction
Noah Honeywell – Business Owner / Entrepreneur
Josh Skyring – University Student studying Law / working for a Barrister
Dominic Walker - Pilot
Outdoor Education Program

Congratulations to the Year 8’s who have just completed their final camp for the year and good luck to the Year 6’s who attend camp next week and the week after.

Raising Boys Tip

Do You Practice What You Preach?

“As parents, it is our responsibility to model the life we want our children to live. To help them lead a life of character and become dependable and accountable for their words and actions. As the leaders of our homes, we can start by only speaking honest words – white lies will surface and slowly erode character. Watch yourself in the little ethical choices that others might notice, because your kids will notice too. If you don’t cut corners, for example, they will know it’s not acceptable for them to either. Show your kids what it means to give selflessly and joyfully by volunteering for a service project or with a community group. Leave people and places better than you found them, and your kids will take note and do the same.”

Student Absence

In the event a student is absent or is going to be absent, all families should prioritise contacting either:

The College Absentee Telephone Line: 3857 99 00
College Absentee Email: absent@padua.qld.edu.au or absence@padua.qld.edu.au

All Absentee information should come from a parent, guardian or carer. Students emailing their own absentee information will not be accepted.
Dear Families
What a great community Padua is! Every day there is something that makes you feel like you are a part of a special place. This week Year 6 played host to their Grandparents and Mitchell House celebrates the Eucharist together on Thursday. A request for blankets for Rosies Street Van was greeted with an avalanche from families and a family in need were cared for with a few home cooked meals. Thank you everyone!

Boyd-Boland and Mitchell House Eucharists
Last Thursday night Boyd-Boland House celebrated their House Eucharist in great style while Mitchell House does so this Thursday. It is expected that every family be represented at these events. Nothing disappoints a House Guardian more than having to follow up a boy’s absence from their night. As repeated in the Daily Notices and in emails sent home it is a college expectation that all should attend their House Eucharist. Sports training and part time jobs are not valid reasons for missing them.

Franciscan Appeal
Last Friday saw the staging of a very successful Tabloid Sports Day that was enjoyed by the whole College. A very special thanks goes to Mr Nicholson who created and set up this huge event. The ovals on both Assisi and Greccio Campuses were alive with friendly competition and loads of fun – all for a good cause.

Tabloid Sports is the nominated College event that all boys used to get sponsorship for this year’s Franciscan Appeal. Now comes the hard part, collecting the sponsorship and bringing it into school. Even a late donation at this stage would be greatly appreciated.

Our target this year is $30 000. Every cent of this, and more, will be needed to fund the next Timor Project of building new classrooms for the Elementary School at St Francis College. My goal this year is to have EVERY boy at Padua contribute some money to the Appeal and ensure that Fr Sebastian gets to be able to build his new classrooms before the commencement of the 2015 school year.
Term 2 Casual Dress Day
This Thursday 22 May, we will hold our Casual Dress Day for the term. All proceeds will go to the 2014 Franciscan Appeal. Please ensure that your son leaves home appropriately dressed and with his $2!

Rosies Street Van Blanket Drive
Last Sunday night, it was Padua’s turn to fill the van roster and with us we took an avalanche for blankets. We were inundated with donations last week. There were so many blankets that I have more than enough to take out in June when next we go out. Thank you very much for continued generosity.

Battle of the House Bands
At next Thursday’s College Assembly we will, once again, be treated to the sounds of music from every House in what has become an annual event – the battle of the House Bands. House Bands will do battle for two prizes: the Judge’s Prize for best performance and the People’s Choice Award when boys can vote with coins as to who they think was the best band on the day. Last year we collected over 40kg of coins from this event! Once again the beneficiary from this event will be the 2014 Franciscan Appeal. Good luck to all of our bands next week!

May you all continue to be find peace and good will in all that do over the next fortnight.

Michael O’Brien

Absence from Exams

We are fast approaching flu season and the end of term, and now is traditionally the time when students take time away from school due to illness or early departure for holidays. In the case of illness, parents and students must ensure that they communicate with teachers when they are away, particularly if they are going to miss submitting assignments or sitting exams. Written assignments should be emailed directly to the teacher on the due date and should there be a need for an extension, that should be negotiated with the Head of Curriculum prior to the due date. In the case of early departure for holidays, it is expected that parents will make the request in writing, directly to the Rector. Communication in this regards allows us to best make the necessary arrangements in order to support your son.

The Extension Applications Form can be on the College website found at:
http://www.padua.qld.edu.au/teaching-and-learning/curriculum/years-10-to-12/

The Term Time Absence Procedures and Notification Form can be found on the College website at:

Subject Selections – Years 9 and 10

In the next few weeks, boys in Years 9 and 10 will be asked to select their subjects for Semester 2. The boys will be informed of the specifics, but given that subject selection is not a new process to them, there will not be any parent evenings dedicated to this process. If you would like to look at the subject offerings, your son should have a copy on his iPad of the Years 9 and 10 Subject Handbook 2014/2014, formerly the Junior Studies Handbook. Alternatively, a copy can be found on the College website via the following link.

NAPLAN 2014

Last week, students in years 5, 7 and 9 have sat the NAPLAN tests for another year. These tests are a snapshot test and are used by the College as part of the data set we use to inform our curriculum. We do not use them in isolation and recommend that they be considered as one of many testing tools that teachers and parents can use in collecting data to be used to support and direct a student’s education. I would like to thank Kathy Hodge for the overall organization and running of the NAPLAN. I would also like to thank the teachers in Years 5, 7 and 9 who not only worked to prepare the boys prior to the test, but who supervised and administered the tests.

Little Ninjas in the Library?

Greccio Library during Thursday lunchtime has undergone a make over with Maker spaces. Since our last Bulletin submission, we’ve had two Makerspace sessions where our boys were able to make, create and have some fun. Last week we had sixty enthusiastic Paduans making rubber band bouncy balls and squishy flour heads. Lots of mess, lots of noise, lots of fun, and don't tell the boys.... lots of learning!

If you have anything you'd like to donate to our 'Tinkering Table', a place where the boys will take things apart to discover how things 'work' (and hopefully reassemble them), please contact me via email. I'm thinking mechanical and electronic, with size restrictions (we have space issues, and while I'd love the boys to pull apart a lawn mower, it wouldn't be practical here in the library). We're also looking for any spare spanners, screwdrivers or shifters you may be able to donate to our table.

Congratulations to 6KA who jagged the Golden Reading Gnome (GRG) last week, after an impressive Research and Technology lesson. The boys were deserving winners in a tough competition.

Thank you for your continued support, and please feel free to contact the library team if we can help in any way,

Claire-Louise, Helen and Naomi
cperrrers@padua.qld.edu.au
From the Greccio Campus
Last week class 5DY dazzled the school assembly with their presentation of the Paduan Virtue of 'Courage'. The students enjoyed how courage is an important part of becoming a young man and helping build resilience. Thanks to Mr Yeo and his young gentlemen for their great work presenting the skits and making the virtue applicable to the audience. NAPLAN came and went as it always does, well done to students for doing their best. There have been some great efforts by our students out of school in the sporting arena, thanks to Mr Michael Out for highlighting these efforts during 'Monday Matters', well done to those boys and congratulations. During weeks 6 and 7 the year 6 students head to Amaroo for camp. The 'Adventure Camp' is always a special event led by Mr Rush and is a great opportunity for the students to bond away from school. Remember to ask your son what he is doing in class, be involved and communicate with his teacher when necessary.
In week 4, Year 9 and Year 11 Geography took the classroom to the field in order to gather data for their respective reports. On Monday 12th, the Year 9 Geography class had an early start as they headed to North Stradbroke Island for the day. For some boys, it was their first visit to the island, and all were excited about spending a day on the beach. Thankfully it was a warm sunny autumn day, it provided the perfect conditions for a stroll along the beach from Cylinder to Point Lookout. The focus in class was the study of Coastal Processes and landforms, so students were able to observe these concepts in the field. They also got to see turtles in the wild and a number of eagles soaring above the cliffs. Back in the classroom, students will gather further information and explore coastal management issues on the island, in particular the issue of mining.

The Year 11 Geography class enjoyed exploring the creek beds of Kedron Brook on Thursday 15th. The students visited five sites along the creek to collect and test water samples. Their report will focus on the health of the catchment and provide an analysis of appropriate management techniques to further improve the health of the creek. I would personally like to thank Mrs Herbert, a mother of one of the students, for providing morning tea for the boys.

Host families required

HOST FAMILIES REQUIRED

for students of
Kamakura Gakuen High School
from Kanagawa, JAPAN
attending
Padua College
21 July – 2 August, 2014

This is a worthwhile opportunity for your family to learn about Japanese culture, while sharing with your Japanese student the lifestyle of an Australian family.

- Families are asked to provide all meals and a friendly home for their student
- They will travel to and from school each day the same way as arranged for your own children (please provide transportation fee)
- Payment to host families will be $240/week to assist with some of the expenses involved when hosting your student

Yes, I would like to host a Japanese student, but...

Will the student speak any English?
Yes. However, as their English skills may be limited, we would ask that you speak clearly and slowly (but not in a patronising way) when communicating with them.

Will I have to cook Japanese food for the student?
No. Your Japanese student is here to experience an Australian lifestyle. This includes spending mealtimes with your family, and eating what you and your family normally eat.

Is it OK if the parent(s) work full-time?
Yes. During these times (e.g. after school), your Japanese student can spend time with your own children. Families who live near each other are encouraged to share transport, or other activities outside of school.

Do we need Blue Cards?
Yes. If your family hosts an overseas student for 10 or more days, it is necessary for all family members over the age of 16 to have a current Blue Card. Please contact the school office to obtain blue card application form.

If you would like to host a Japanese student this year, please contact:

Aimee Asimus (Japanese Teacher)
to obtain a Host Family Application Form

Please contact Yoko if you need assistance or have queries about this program.

Yoko Sugimoto (ISS – Study Tour Organiser)

**WE LOVE OUR VOLUNTEERS**
The Padua Uniform Shop

Is trading from its new location in the new building.

Entry available from Jardine Street.
Last Tuesday evening was the P&F meeting for May, at the meeting we heard reports from the Pastoral Care team and the many busy activities both campuses have been up to. The Parent and Friends also endorsed financial support to Oliver Collins who will be representing Padua College at the International Space Design Competition in America, and to Jacob Williamson who will be representing Queensland at the National Track and Field Championships. Good luck to both Oliver and Jacob in their respective fields.

The P&F are planning an **August Parent Forum** a guest speaker to talk on the correlation between sports psychology, adolescent development and the linking benefits to education. Watch this space for a confirmed time.

Don't forget the **June Parent Forum**, if you have not yet registered. This forum will provide an insight to parent on adolescent mental health, including risk and protective factors. The session will provide tools to identify early warning signs and how to respond.

**Parent and Friends forum**

Overview of adolescent mental health, including risk and protective factors. This session will discuss the identification of early warning signs and how to respond.

**Date:** 10 June 2014

**Time:** 7.15pm for a 7.30pm start (1.5hrs presentation - including 20-30mins question time)

**Presenters:** Dr Kerry Geritz and Ms Gail Corrigan

To register please go to the Padua website - News & Events/School Events Calendar/Event Registration/June/ Register (see next page for more instructions).

---

**Dr Kerry Geritz**
Kerry has extensive experience working with adolescents with mental illness and challenging behaviours in both child and youth mental health services and adolescent forensic services.
Kerry completed her Doctorate in psychology from Griffith University and has been working with children and adolescents for the past 10 years in various departments of QLD Health. In addition to her work at Q-Psych, Kerry currently works as a senior psychologist with the Child and Youth Mental Health service, Child and Youth Forensic Out-reach service, and Children's Health Services QLD.

Ms Gail Corrigan
Gail has over 15 years experience of working within the mental health sector in Australia and New Zealand. This has included:
- Working with young people at risk of leaving the education system
- Assessment and intervention in areas of behaviour, learning difficulties, substance use, anxiety and depression.
- Parenting strategies

Dear Parents/Guardians

As a part of our Padua College “Pastoral Parent Care Program” (PPCC) we arrange volunteers for each Eucharist. The House Committee is a subcommittee for the Padua P&F Association. It is our aim to bring families together to “enhance the Franciscan values of hospitality and welcome”.

Attention Kirby House, we are looking for volunteers join the House Committee to help serve Supper at Mitchell Eucharist. Volunteers are required assist from 7.30-9.00pm in the tuck-shop.

Kirby parents that wish to assist with the Kirby House Committee members at Mitchell House Eucharist on the 22 May 2014, please fill in the following form.

We have formed a House Committee for the Pastoral Parent Care Program Committee. Traditionally, families attend the Eucharist provide a plate of food for supper. While the families were enjoying the Eucharist in the Little Flower Church volunteers from another House & their Committee were helping with setting up for supper.

Future 2014 House Eucharist Dates
15 May Boyd-Boland House Eucharist – Beirne Volunteers set up & clean up supper (Thank-you to volunteers)
22 May Mitchell House Eucharist – Kirby Volunteers set up & clean up supper
28 August Kirby House Eucharist - Mitchell Volunteers set up & clean up supper
15 October Odoric House Eucharist- Grigg Volunteers set up & clean up supper
28 October Grigg House Eucharist- Odoric Volunteers set up & clean up supper

For those whom wish to volunteer at any of this future House Eucharist please tick to indicate on the following form if you would like to Volunteer and return the main office or via email admin@padua.qld.edu.au

Year Level/House Contact List
At the beginning of the each year we request contact details from all families and compile a list for each year. A year/house contact list is then distributed to each family with boys in the same year. Many parents find this a useful reference, particularly when trying to coordinate sporting event car pools and the like.

Please note it is optional to be on this list.

Please return the Form(s) to the office or via email admin@padua.qld.edu.au it is preferable the form(s) are returned as soon as possible. All welcome to P & F meeting held on Tuesday 13 May 2014, to find out more about the Grecco’s Year 5 & Year 6 committee’s activities. Also discuss are the Assisi’s House Committee activities and House Eucharist volunteer groups. These PPCC members at Grecco and House Coordinators have distributed the contact lists – all are Welcome to join.

We look forward to catching up with you throughout 2014 or see you at next P & F Meeting held on Tuesday 13 May .

Thank you for your support.

Kind regards,

Dianna (Di) Morris Erica Patterson

**Are you a parent of a child with type 1 diabetes?**

Every day, thousands of Australian children suffer the effects of type 1 diabetes and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P-Positive Parenting Program offering practical ideas and support for parents of children with type 1 diabetes. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 2-10 year old children with type 1 diabetes are able to access Positive Parenting for Healthy Living Triple P as part of a University of Queensland research project. Parents will be able to attend the program free of charge, and will be asked to complete 2 sets of assessment measures (questionnaire and family observation) over a 6 month period, as part of the study. Contact Aditi Lohan on (07) 3346 7689 or email diabetes.healthliving@uq.edu.au, or visit https://exp.psy.uq.edu.au/vndiabetes for more information.

Stellar Kids is a personal and social capability program with its foundations in positive psychology. It provides children with strategies to be able to manage their own worries and challenges that are part of growing up. The program is engaging and interactive with exercises and creative activities and provides parents with plenty of strategies which can be used at home for long term effect.

Term 2 programs—Level 1, 23 Redcliffe Parade:

Ages 4-6: Thursday 15 May—19 June 3.30-5pm
Ages 7-9: Saturday 17-31 May 9am-midday

Benefits of enhanced social and emotional skills:
- Ability to recognize and regulate emotions
- Greater empathy for others
- Handle challenging situations constructively
- Make responsible decisions
- Establish positive, healthy relationships
