Dear Parents

Another year has all but passed. Last night, we had the Annual Awards Night for the College. As always, the night highlighted the great array of talent that the College has. A special thanks to the various ensembles from the FCIP and their Directors for providing the entertainment interludes. The special guests, Fr Paul Smith, Dr Anthony Lynham, Mrs Kim Swan, Mrs Fiona King were very complimentary of the evening and I would like to thank them for the time they have given to Padua.

At the last P&F meeting (11/11/14), the Annual General Meeting was held. Listed below are the people who have been elected to various positions. Thank you very much to these people for their generosity of time and spirit. They are very important roles as they provide the voice of Padua parents at their meeting.

2015 P&F Committee
President   Lisa Marini
Vice President  Karen Caughey
Secretary   Ian McCullock
Treasurer   Ruth Baker

Committee Members
Bas Kamp
Mel Kamp
Bridgette Cavanagh
Karen Caughey
Dave Mortimer
Rupi Donzena

Pastoral Care
Assisi   Di Morris
Greccio    Linda Stephenson
With the final week approaching, I would like to take this opportunity of thanking all families for their contributions to our community this year. Padua is the vibrant and dynamic place that it is because of what you do. I wish you all peace and joy for Christmas and a happy start to 2015. To the families leaving Padua, best wishes for your journey into the future. To those returning, I look forward to another year of dynamism and activity in 2015.

Pace e bene
Robert Out
During the year I had the good fortune to be with some of our Rugby players in Europe and other boys on the Franciscan Pilgrimage to Italy. Wherever we went “wi-fi” was a fixation with them all. When I first went to Belgium to study in the pre-internet days, a significant challenge was being unconnected from family in Australia - save the odd air-letter! You really experienced being “overseas”.

“Solitude does not come naturally anymore,” says Michael Harris, author of The End of Absence. He challenges us to engineer periods of absences for our children. The silencing of technology is imperative at the dinner table, in the classroom, at the movies, at restaurant and especially while conversing with others. I am pleased at Padua that on Outdoor Education Camps at Amarooc, the boys are starved of the internet. I don’t think we want technology to rob the boys of the opportunity to be boys - to “kick the kick”, play backyard cricket, grab a mate and play cards or chess, strum a guitar, just have a chat, read a book, or experience some reflective silence.

With due respect for those who are hearing impaired, I see the boys coming and going from school and in the school playground with almost a form of cochlear ear implant - the ear phones that seem permanently attached to both sides of their skull.

What is important is that the boys learn about the pitfalls of technology use. Technology is not a prankster’s tool, it can be used as an instrument of bullying, that sharing photos and videos, as well as anything written can be saved and shared without your permission.
What we want of the young Paduans to do is enjoy life, nature, people, music, books, as well as know the moral dimensions for the proper use of technology.

To you all, I wish you blessings of joy and peace as we celebrate the birth of our Saviour and our brother, Jesus of Bethlehem.

Fr John
From the Pastoral Care Team

As the year draws to a close I would like to wish all families a happy and safe Christmas.

Year 7&8 2015 Orientation Evening

Next week Padua will host all Year 7 and 8 families for 2015 in a night of orientation and lesson tasting. Year 7’s will have their Assisi Campus experience on Monday, while Year 8s (current and new students) will join us on Tuesday evening. Students will be involved in sample lessons while parents will be shown the physical layout of the College, introduced to student expectations and procedures and also get to know other families in a social setting.

Both evenings are an important component of our transition program at Padua and commence at 4:30pm in Little Flower Church.

Hair and Grooming

Could I remind all families again that College expectations remain in place right up until the end of the last day of school this year. Students should also refrain from obtaining any haircut that deviates from these expectations and maintain his uniform to the highest standard until this time.

Raising Boys Tip

Pass On Life Lessons:

Encourage your boys to look up from their ‘i-whatever’ over the holidays and enjoy their natural surrounds. They will lose many of their day to day routines over the next 6 weeks, so help them stay engaged by encouraging physical and purposeful activity. This could even mean a helping hand around the house!
Dear Families

Graduation Week brings a little closer to the end of the year. It is a timely reminder that there is a time and season for all things under God.

2015 Graduation
This week we farewell the Class of 2015 with three events: Prize Night, Vale Liturgy and the Graduation Mass and Dinner. What a special time of the year this is for the College! We are proud of the achievement of the boys in this senior and we pray that peace and all good will be strong in their lives as they journey forward.

Christmas Liturgy
Ms Gatt and many staff and boys have been working hard again to present this year’s Christmas Liturgy. It is a fun-filled celebration of the spirit of Christmas and a wonderful way to end the year. While it is a little weird thinking about Christmas at the end of November it is never too soon remind ourselves of the great gift that God gave us of His Son.

St Vinnies Christmas Hamper
This year the Christmas Hamper Appeal will take a slightly different form. Because of the generosity of the College for our last Two Can Day in July and a lack of storage space we still have plenty of food supplies to be distributed.

The Society have asked us to prepare specially created ‘Christmas’ hampers designed to be given directly to local families in need. We are asked only to create 35 hampers this year and I will be asking House Guardians to assist me with this task over the next couple of weeks.

The Greccio Campus boys have certainly risen to the challenge of putting a little ‘Christ’ back into Christmas with their generous donation of toy gifts for children. Again, what I would like each boy to purchase a donate a gift up to the value of $5 for a little boy or girl and bring that into school to put under a ‘Giving Tree’ we will set up there. These gifts will be distributed with the hampers. Each gift should be wrapped and labelled with the suggested sex and age of a potential recipient.

Thank you all, in advance, for your generosity in this final appeal for 2014.
Last Sunday night I ran into Lucas from Orange Sky Laundry who could not thank Padua enough for our support and good wishes in their new venture. He told me about the overwhelming reaction that he and his a partner had had in their mobile laundry idea. Padua will be supporting this venture in 2015 as part of its outreach program so you will hear more news about in the months ahead.

**Orange Sky Laundry**

Recently we completed all the House Eucharists for this year. These are significant events in the life each House during the year. Thank you all those families who supported them by making the time to attend them and the many boys and staff who were involved in them. Each one was unique to its House and so there was much preparation that gone into them. Thank you to the Liturgy Group, and in particular Jayden Lynch in Year 12, Jayden has played and sang in 37 liturgies during his time at Padua which is an outstanding effort of service to the college.

**House Eucharists**

Last Sunday night we completed our last Rosies assignment working on the night vans. A little different this time with the G20 event forcing us to move to a new location. But what a location! Imagine a balmy Sunday night right beside the ‘Go Between’ Bridge and that was us with about 80 or so patrons. It was great atmosphere with the Orange Sky Laundry van also joining us for a promotional visit. Thank you to all those boys and staff who have helped on both the Brisbane City and Logan Vans this year. Next year we have also signed up to help out once a month on a Sunday with Rosies cooking a BBQ at the Aspley Caravan Park.

**Rosies Street Vans**

As we inch closer to the celebration of the Christ-child may you and your family be filled with much peace and joy.

**Michael O’Brien**
iPads in 2015

An email was sent home to families this week outlining the fact that iPads will continue in 2015 and that the expectation is that the iPad your student currently uses will continue to be their device in 2015. Therefore, there is no expectation that existing students replace their iPad for 2015.

**Therefore, it is anticipated that through normal wear and use, the current iPads will continue in use until the end of 2015. It is expected that all students have a working iPad in this time.**

It is anticipated that a decision on devices for 2016 will be communicated to the Padua Community prior to the end of Term 1, 2015.

iPad Survey

The same email mentioned above that was sent to families in Week 9, asked for your participation in a review of iPads as a teaching and learning tool. The feedback from this survey, combined with current research, input from an external reviewer and feedback from staff and students will be used when deciding the direction for devices into the future.

The survey can be accessed via the following link:

https://docs.google.com/forms/d/1D14rOEslML_WrAw51XDgP8Qyl3kF96JtetzttEjZ7UQU/viewform?c=0&w=1&usp=mail_form_link

Reports

Semester Two Report Cards will be mailed and emailed to families from December 10 and will arrive sometime after that date. Please be aware that it is anticipated that this will be the last time that reports are mailed as a paper copy, with digital delivery of reports being the preferred option of the College into the future.

Last Week of Term

Students in Years 5 to 9 have a full program right up until the end of the last day of term on November 28. It is expected that students in those years be in attendance up to and including the last day of term unless the school has been otherwise notified via a Term Time Absence Notification. Students in Years 8 and 9 have an exam in the morning on the last day of term. Any student who misses assessment due to term time absence may receive an Incomplete on their report for any subject where the full assessment load has not been completed.
Well, the end to another busy year in the E-Learning department has rolled around. This year has seen the growth of iPads in the classroom with some great Keynotes, iMovies and other productions by the students. We have also given the Year 6, 8 and 9 students the opportunity to try ‘Genius Hour’ in their R & T lessons. This is built around Google’s 20% time where we have given the boys the opportunity to research and learn more about any topic of their choosing. While a number of boys have focussed on how sports or teams have formed and how to improve a particular aspect of a chosen sport; there are some more creative topics like the effect of homework on kids and who is Adriane Grande. We are looking forward to seeing some of these presentation over the next couple of weeks.

Last week we held two buying nights at Apple Chermside. This was an opportunity provided to us as part of our ongoing partnership with Apple. A big thank you to Celine and the Business Team at Chermside, those parents who attended and Mr Jason Pacey who also attended both night. It was certainly an informative presentation and a great opportunity for parents to begin their Christmas shopping/getting organised for 2015 school year. I believe those children who attended had a little more fun getting to play with some of the iPads and toys while parents listened to the presentation!

For those parents with sons departing the College this year, information will be provided on the College website regarding how to transfer your son’s Apple ID from his Padua email to a different one. This will allow him to keep all the apps downloaded on that ID. For students in Year 12 this will be emailed directly to them in the next week, along with some other information regarding access to email accounts.

I would like to take this final opportunity to wish your families a safe, happy and holy festive season.

Tanya Anderson

Reminder

When your son returns from holidays, his iPad is to have all games and social networking removed and be ready to start the school year.
Greccio Library Greetings

As the teaching year is fast drawing to a close we are concentrating on collecting outstanding library loans from the boys. This week overdue notices have been sent to students who still have books borrowed out. We would appreciate your help in getting them back to the library by the end of this week.

While we don’t loan resources out over the Christmas holidays, we do encourage the boys to continue reading for pleasure over the break. Brisbane City Council Libraries offer a free Summer Reading Program for student participation that runs through December and January.

Our students also have access to BorrowBox, the school subscription to ebooks and audiobooks. Login is easy through the iPad app, and requires Padua username (smithj20) and pin/password. Student pin/password is the five digit number found on their student ID card. Further details about logging in can be found on Blackboard, Greccio Library, eResources.

Many thanks for your support of the library, books and your son’s reading throughout 2014. All the best for a safe and happy Christmas and holiday.

We look forward to seeing you all in the New Year!

Claire-Louise Perrers, Helen McCall and Naomi Harney
PADUA COLLEGE
2015 Stationery Lists

Please Complete All Stationery List Orders at www.sequelbooks.com

Orders must be completed Online by:
FRIDAY 28TH NOVEMBER 2014

Payment and registration due by 24 November 2014.

For further information, contact Michael Out via email mout@padua.qld.edu.au
As the end of the year is fast approaching, this is a note to talk about second hand clothing.

- **BLAZERS**  Must be dry cleaned and brought into the shop on a hanger with dry cleaning tags attached. They must be in good order, all buttons attached and embroidery neat.

- All second hand clothing for sale must be in good order. All buttons must be attached. There can be no marks, worn collars or rips under the arms. They will be kept for 12 months only and then automatically given to the missions if not sold.

- We do not accept socks, swimwear, hats or clothing not originally bought at the Padua Uniform Shop.

- The Convenor will deem what is saleable or not. The Convenor will also decide which clothing is given to the Missions.

I would like to take this opportunity to wish everyone in the Paduan community a safe and holy Christmas and prosperous 2015.

To all the ladies who work a roster day at the shop, I must thank you so very much for giving up your time and making the shop runs as efficiently as it does.

The new shop has been a wonderful change to uniform buying and everyone who walks through the door have been greatly impressed.

For me as Convenor, it has been just wonderful to have such a lovely place to come to work in, for that I thank Padua very much.

God Bless

Cheryl Cacciola
**Student Absence**

In the event a student is absent or is going to be absent, all families should prioritise contacting either:

- The College Absentee Telephone Line: (07) 3857 99 00
- College Absentee Email: absent@padua.qld.edu.au or absence@padua.qld.edu.au

All absentee information should come from a parent, guardian or carer. Students emailing their own absentee information will not be accepted.

LITTLE FLOWER JUNIOR OUTSIDE SCHOOL HOURS CARE

Do you need care for your children before school or after school or during vacations? Help is available. There are limited positions available at the Outside School Hours Care facility based within the classrooms and grounds of St Anthony's and Padua Junior.

Little Flower Outside School Hours Care has been successfully caring for school age children for many years and is staffed by well trained, caring Educators.

At the Junior Service, The children and staff have enjoyed a happy week this week joining in the fun of the Melbourne Cup with fashions, horse paintings and races. Staying on this theme the rest of the week our craft has been various animal puppets. Vacation care bookings close 27/11/14. Paper copies of the vacation care package are now available from both campuses. Beginning the 10/11/14, our Prep students will walk over from their classrooms to after school care by themselves – I will meet them halfway to check all children have remembered. Their class teachers have lists for our daily attendances so please do not worry that your child will be “lost”.

Don’t forget Monday 10/11 is our “Nibble & Natter” afternoon. You our parents are an important link in our assessment process. Our assessment will take place before the end of the year so we need you all to comment on our photos, learning stories and the Quality Improvement Plan. Comments can be as simple as a couple of lines on a post-it note. We would appreciate all parents giving us 5 minutes on Monday. See you then.

Vacation Care
Vacation care bookings close 27/11/14. All families have been emailed the program and also each campus will have paper copies.

Please remember to call or email if your child isn’t going be attending their booked day so that we are able to mark them absent or if you need to change your permanent care requirements we can email you the “Request to Change Permanent Booking Form”.

Please remember parents that you must sign for all absences on the attendance register, it is understandable that you may forget when your child is absent on a pre-booked day but these days must be signed for.

If you require care for your children please call 3861 0958 and speak to our Administration Officer, Carol about available places at before and after school care.
Become Involved it’s easy!

We welcome and really encourage you to become involved in any P&F activities. It’s easy…first step - just come along to meetings, join a committee, help as a volunteer … you will be glad you did it is an enjoyable way to meet new friends and contribute to your son’s schooling at Padua College.

Parents often comment that there is less opportunity to be a “part of the action” now that their boys are at “high school”. All of the above activities and groups provide an opportunity to be close to what’s going on, and importantly to help in meaningful and enjoyable ways.
Inviting all past students and staff of Mt Alvernia College to join the Alumnae

Keep in touch with news and functions.
Join our Facebook Group and visit our website to fill in the membership form.
Please pass this on to any sisters, cousins, mums, sons, wives, friends etc.

Mt Alvernia College Alumnae is a group of past students, staff, parents, and friends of the college working together to promote and maintain communication within the Alumnae, to foster support and assist each other and the college by strengthening relationships between Alumnae and the current Mt Alvernia community.
