Dear Parents

Thank you to all parents for your contribution to a smooth start to the year. However you have supported your son to organise himself for school is much appreciated by the staff. This fortnight involves many parent nights which are ideal opportunities to meet or touch base with your son’s Pastoral Care teacher. This is a fundamental relationship within the school structure and I would urge all parents to nurture it and use it as much as possible.

Over the last two years, Padua College has made many changes to its overall structure to accommodate the change of Year 7 into secondary schooling. This year, in the area of Pastoral Care, we have moved the junior student leadership of the College from its traditional place of Year 7 to its future place in Year 9. We also intend to give an opportunity to experience leadership to as many Year 9 students as we can by appointing two Year 9 students per House per term to leadership positions. Therefore, 48 students in Year 9 will have the opportunity and experience of leadership in the course of the year. It is with great pleasure that I congratulate the following boys who are our Junior House Leaders for Term 1.

Gareth Mortleman & Flynn Pearman  Beirne House
Rory Nixon & Eden Clark-Murphy  Boyd-Boland House
Jack Curtin-Andrews & Thomas Fletcher  Grigg House
Joseph Cox & Sean Andrews  Kirby House
Arthur Stower & Thomas O’Donnell  Mitchell House
Connor Smith & Matteo Marini  Odoric House

If parents have been out to Banyo for cricket recently, they would have noticed some works going on around the entrance to the playing fields. They would also have noticed that it is not yet finished. The delay is due to weather, but it will hopefully be finished soon. The area has been reorganized with designated parking, an improved BBQ area and the relocation of the industrial bin. The area will be asphalted and new gates have been put in. A plan of the area is included below.

Last Tuesday evening, the P&F had it’s first meeting for 2015. We have the pleasure of Dr Anthony Lynham’s (Labor Member for Stafford) company. The meeting was well attended with a number of new people present. I would urge parents to come to P&F meetings if they want to find out what is going on in the school. The next meeting is on 10 March and is a social meeting to welcome all new and returning parents. Please consider coming.

Best wishes to everyone for the next fortnight.

Elsewhere I have written that Leadership must be constituted by three "C's"- consultation, collaboration and communication. New parents to Padua will come to learn that sport is a very important element in the life of the College. Well sport has its five "C's"- community, character, commitment, culture, and competition.

Sport is about community. For many great sportsmen and women it began in their county town: think, Mark Taylor, Karrie Webb, David Campese, Margaret Court and Evonne Goolangong. Encouragement came from within the family. Like life it meant playing with people, and people from all walks of life and with all level of skills. That's how it is at Padua. Parents up early in the morning, making sacrifices so that their boys can be with others boys, together training, and playing. You show up and are dependable, even when you are tired, even when you have a part-time job, because that's what it means to be with others, when you are inconvenienced, because ultimately that what is means to be in community.

Sport can bring out the best in a person's character. Good sportsmen show this through their courage, their determination, their self-discipline, and their persistence even in the face of injury, sickness, and certain defeat.

Every sport has its culture. We will see it exemplified in the Cricket World Cup, the Football World Cup, or the Rugby World Cup. Players from all over the world, from a plethora of cultures, bound together and drawn together by the common bond which is the culture of that sport. Friendships forged on the sporting field that break down barriers in life, though the sharing of a common devotion and culture of that sport. Our boys see that when they are playing Rugby in England, Ireland or France. Our footballers when they are in Japan or Malaysia.

The sportspeople we admire most are those with commitment. This is a loyalty to the team, a respect for the coach, and a strength and self-control where you persist and do your very best till the game is complete. Your commitment to the team means you are always at training on time, and you always give it 100%- when it is hot and humid, raining and cold- you give your all!

Finally there is competition. We are fortunate in being part of a very healthy AIC competition. It is a very strong competition, and it requires of our boys constant application, hours of training and practice, and a solid mix of self- belief and self-criticism. Playing fairly, living modestly with our wins, and offering congratulations to the teams that might defeat us. This is the Padua spirit!

Trust

A healthy mature relationship between people requires trust. It is when you can rely on another person, when that person is loyal, dependable, and has integrity. At all times you can count on that person. He will respect you, and he will always be there for you.

There are many examples of trust.

1. When you share a confidence with a friend and you know he will keep that information to himself.
2. When you borrow your parents’ car for the night, and they trust you will bring it home in good condition.
3. When you make arrangements to meet up with friends for a night out, and you trust they will be there.
4. You lend someone some money, and you trust they will pay it back.

Without trust there can be no healthy relationship between people - be it friend to friend, teacher to student, child to parent.

Friendship is built on two things-respect and trust. Both elements have to be there, and it has to be mutual. You can have respect for someone, but it you don’t have trust, that friendship will crumble.

IMPORTANT DATE CHANGES TO SOME YEAR 7 CAMPS

BEIRNE HOUSE STUDENTS  23 – 24 February 2015
GRIGG HOUSE STUDENTS  23 – 24 February 2015
ODORIC HOUSE STUDENTS  24 – 25 February 2015
BOYD BOLAND HOUSE STUDENTS  24 – 25 February 2015
MITCHELL HOUSE STUDENTS  25 – 26 February 2015
KIRBY HOUSE STUDENTS  25 – 26 February 2015
As I write this Bulletin article, I have the pleasure of looking out across Amaroo (Padua Outdoor Education Centre) and the Noosa Hinterland. I have been lucky enough to join the Year 8s for a day on their induction /‘Get To Know You’ camp. On this camp, the boys learn about the history of their House and House Patron, get to know the other new students in their House and take up challenges such as surfing and war cry competitions. It appears that a great time is being had by all. We congratulate the boys on their involvement in this camp and look forward to the boys bringing all their fantastic ideas and spirit back to share with the College. Good luck also to the Year 7 students who will replicate the same camp in the coming weeks!

Swimming Carnival

Next Wednesday (Years 5-8) and Thursday (Years 9-12) the College will hold its 2015 inter-House swimming carnival at Centenary Pool. Could all families please note the following:

- The swimming carnival is a compulsory event for all students, including those with regular school based TAFE and work placement commitments.
- Students will be transported to and from Centenary Pool within normal school hours.
- Busses will depart the College on the respective day at 8:40am and return by 2:45pm.
- Students may wear their full House or Sports uniform to school on this day.
- Further details will be outlined in a forthcoming email to families this week.

New Student Parent Information Night

On Tuesday February 17, families are invited to the Padua College New Student Night (Assisi Campus). This evening is for all families with a boy in Year 7, Families who are new to the College in Year 8 and any other new family to the College in Years 9-12.

The evening is an opportunity to receive important information on life at Padua College and most importantly, a chance to meet your son’s Pastoral Care Teacher.

Families are asked to please bring the Smart Device / Mobile Device of their choice on the evening.
Great to see:

- Year 6 boys welcoming and looking out for our new Year 5s
- Year 9 Junior Leaders running welcome BBQ’s for the Year 5s
- Senior Leaders visiting the Greccio Campus and leading activities for the boys
- The Greccio Campus joining House assemblies on the Assisi campus all this week
- PC classes presenting their understanding of our weekly virtue on their House and year level assemblies!

Year 8 Camp Pictures
Dear Padua Families

Week Three of school and it’s all systems go with camps, Opening Ceremonies, Commissioning, Camps and next week the beginning of Lent.

This week boys on the Assisi Campus are receiving their Collector’s Kits for this first charity appeal for the year. Padua has had a long association with the Little Kings Movement who provide daily respite for people with disability. This organisation receives no funding from the government yet it provides an essential service to those who rely on it. In 2013 we raised a staggering $13 000.

Your son is asked to collect a kit and simply door knock the houses in your immediate neighbourhood. We require all kits to be back next week.

Greccio Campus will be holding a sausage sizzle soon as their way of fundraising for this service.

Last week Year 12 were out on their annual camp. This was the last opportunity our senior boys had to go to Amaroo. They were kept busy with activities that occupied them physically and spiritually. Members of the menALIVE Team, once again, supported us throughout the week.

Boys are asked to email their Year 1 and Baby photos to Mrs Healy (shealy@padua.qld.edu.au) in the library this week. These photos become part of one of the PowerPoints during their Graduation Liturgies later this year.

This is a reminder that we will have a whole college casual dress day on Friday 20 February. All proceeds go to this year’s Little Kings’ Collection. A donation of $2 from each student in casual dress is required.

Since our last Bulletin, the College formally began the new school year with its Inaugural Eucharist. Fr Paul Smith, Provincial of the Friars was the main celebrant together with Fr Stephen from the parish and Fr Anthoni, Guardian of the Kedron Friary, Definitor of the Province and member of the Board of Directors of the college.

During the year each House gathers for its annual House Eucharist. Kirby House will kick off these liturgies with their House Eucharist scheduled for Wednesday 4 March commencing at 7.00 pm in the Little Flower Church, Kedron. All members of the House are expected to attend. There will be a supper outside La Cordelle afterwards.
Already Padua has commenced its Outreach program with our weekly visit assisting the Good Samaritans Group each Tuesday with their Bingo in the Parish Hall. The first group of Year 11 boys has helped out in the kitchen at South Brisbane. This Sunday boys join the Brisbane City Rosie's Van which will be followed by another group joining the Logan City Van on Wednesday night.

There are still plenty of spots available on the vans and for Vinnies at South Brisbane. The boys just need to see Mrs Farry in the PC Centre to sign up.

As you may know every two years Padua College staff conducts a Pilgrimage to the Franciscan shrines of Italy. We are inviting your sons (who in 2016 would be in Years 9 to 12) to join us on our Pilgrimage during the Third Term holidays 2016. The basic plan is a flight from Brisbane to Rome via Dubai. Three days in Rome, a day in the Rieti Valley (site of Greccio, and La Foresta) three days in Assisi, where we celebrate the Feast of Saint Francis (4 October) two days each in Florence, Padua, and Venice, from where we fly back to Brisbane. The purpose of the Pilgrimage is to enrich the boys in the Franciscan heritage and tradition by following in the footsteps of St Francis and St Clare, to introduce them to the rich Italian culture of Imperial Rome and the later Renaissance. It is an opportunity for the boys to get to know one another, and to open them to the culinary delights of Italy.

If you are interested and would like further information or to be placed on a list please email myself, Michael O’Brien (mobrien@padua.qld.edu.au), or Fr John (jboydboland@padua.qld.edu.au).

Trekset, a travel company based in Melbourne, assists us with the planning and organisation of the tour and have been excellent in our last three pilgrimages. An initial information evening will be held later this term to give prospective pilgrims and their families further details.

As the next week unfolds may all be filled with great peace and all good.

FREE DRESS DAY
Friday, 20th February

$2.00 DONATION REQUIRED

Money will be collected by your Teacher during Morning PC. Proceeds will be donated to the Little Kings’ Movement.
Assessment Calendars

Assessment Calendars for Term 1 are all currently on the College website. These are published at the beginning of each term and are a great way to assist your son with his organisation. Given the dynamic nature of schooling, assessment dates can change and the Blackboard Diary is always the most up to date source for assessment dates. Calendars can be viewed at the following link:

Student Diaries

As mentioned in the last bulletin, the iPad Calendar is the diary tool for students for 2015. I ask that parents, particularly of students in lower grades, regularly take the time to check what homework your son has recorded. Should there be a situation where your son is not entering homework consistently, please contact his class, core or subject teacher directly as appropriate.

Parent Information Nights

Parent Information nights for parents with boys in Years 5, 6, and 12 have taken place week with Parent nights for parents of new students taking place next week. I would like to thank all of those parents who both attended and who sent their apologies, or who are intending to attend. These evenings are a great way to find out more about what is happening in your son’s life at school and more importantly, are a great way to support your sons with their journey at Padua. Year 8 and Year 10 will have Subject Selection Parent Evenings in Term 3. These are designed to give parents the information they need to assist their sons with the subject selection process.

Technology Support for Parents

An initiative undertaken by Mrs Tanya Anderson, our eLearning Coordinator after requests from parents has been the Technology Support for Parents sessions which have run immediately prior to the parent evenings mentioned above. This session 45 minute session covered topics such as setting up the iPad for new students, using Blackboard, troubleshooting and finding support, using the iCalendar, linking the Blackboard diary to your own outlook or gmail account and the Padua App, all of which are important tools for supporting your son at the College. One of the key take away messages of the sessions is that
most of your questions regarding technology are answered on the College Website under the Technology Tab or by clicking on http://www.padua.qld.edu.au/technology/technology-at-padua/. The Accessing Resources at Home section is particularly helpful when your son’s iPad is not working or when you want them to take a break from the device and use a home computer instead. A special thanks must go to Tanya Anderson for developing these sessions and the parents who attended.

Jason Pacey

Vice Rector Teaching and Learning

Monday night saw the first of our Technology Support Nights for parents on the Greccio Campus. A big thank you to all those parents who came for this session. To follow up on some of the information from this session;

- a reminder that any issues with Apple IDs should be referred to Apple Care 1300 321 456

first stop spot for information regarding your son’s assessment or issues with technology is the College Website http://padua.qld.edu.au/ the document with links to the required apps can be found at http://padua.qld.edu.au/technology/technology-at-padua/required.apps/ Go to the Excel document

This session will be repeated next Tuesday night at 6.15 in the Auditorium on Assisi Campus and will precede the Information Night for new parents in Years 7-12. It will also be made available on the College website – details will be available in the next Bulletin.

Over the last week students have been spending some time linking their Blackboard Calendar (most up to date information regarding assessment dates) to the Calendar App on
their iPad. This is a reasonably simple and quick process that will allow the boys to use the Calendar app to record homework and have due dates for assignments and exams in the one spot. Assessment dates from Blackboard will update automatically when your son’s iPad is connected to Internet. In terms of adding and reading homework, no internet connection is required.

If you are interested in connecting your son’s Assessment calendar to your own email, information can be found at http://padua.qld.edu.au/technology/resources/support-sheets/ Blackboard Calendar Information. Please be aware these instructions are aimed at Outlook email accounts but can be linked to any email account with a calendar function.

There are still a number of boys who do not have cases for their iPads. Please be aware that it is a school requirement that your son’s iPad is in a **suitably sturdy case** to minimise the risk of damage. Unfortunately iPads don’t bounce and there are already cases of cracked and damaged screens. If your son’s iPad looks like this they will be asked to leave it at home. As you can appreciate, this is a safety issue not only for your son, but for staff and other students.

They also suggest that you can click on “Service Information & Map” to see options for each individual route.

Please contact TransLink directly if you have any questions.

### Changes To Afternoon Bus Services 918 and 913

TransLink has advised us of the following changes to the afternoon bus services offered through the 918 and 913 lines.

**918:** Starting Monday an additional bus will be provided, meaning that one bus will leave Padua at 3:19 followed by another 918 bus which will leave at 3:20pm. This should alleviate the overcrowding problem associated with that service.

**913:** TransLink have advised us that starting Monday the 913 which leaves Padua at 3:25pm will not stop at the “Boulevard Stop” on Old Northern Road. This means that students who get off at that stop will now have to take the 911 which leaves at 3:25pm. Also, in another attempt to reduce crowding on the 913, they have asked students to take the 943 which leaves Padua at 3:17pm and services the same local streets as the 913.

I will meet with the students who use these services to explain the changes.

We are well and truly into the swing of a new school year. There are new uniforms, new friendships being formed and the buzz of AIC Term 1 Sport is in full flight. Last week saw the return of our Friday Assembly and presentation of our weekly virtue. Well done to Mr Wren and 5DW on a great job of providing an insight into ‘Honesty’. We look forward to 6DB and Mr Beattie this week who will present on ‘Trust’.

Last Thursday Year 6 had the pleasure of viewing ‘Bully Busters’. Please see below for a reflection by Rhys Neuendorf from 6MM.

Also please see below for a great read on ‘Resilience Tips’. Great ideas for prompting family discussions on this important topic.

Thankyou to the many families that attended the recent Parent Information Evening on Monday night. If you have any further questions we encourage you to contact your classroom teacher via email or phone.

Uniforms are looking great and we encourage boys to continue this trend. Socks up, shirts in, College grey hat/spirit hat and polished black shoes. Also please ensure all items of clothing are labeled as number of items regularly find their way to the office unnamed.

An article on raising resilient children is available on the website http://www.padua.qld.edu.au/pastoral-care/counsellors/

Kind Regards,

Bully busters, is a humorous play. Join Zig, Lil, Archie and Bella in an engaging play raising awareness for cyber safety/bulling. Humans need to have balanced emotions to live a fun and positive life. This play had a deep message to share and they shared it with laughter. They told everyone watching to be safe online and stand up for yourself if you’re getting bullied tell an adult. Overall this was a highly enjoyable but serious play that I highly enjoyed and I recommend to all schools that they should book this amazing play full of laughter and kindness.
This year 2014 Padua graduate Callum Brooks is studying at one of our sister schools in Japan (Nigawa Gakuin). It’s been five weeks since Callum arrived in Japan and he is gradually getting used to the cold and his new school environment. I asked him to write a little about his experience thus far.

Aimee Asimus

My home-stay family’s name is the Fujino family and they are the loveliest people I’ve ever met in any country I’ve been to. The two daughters of the family Serina and Marina were and still are patient with my limited Japanese and the son Kotarou is like the little brother I’ve always wanted. The mother Yukari is so incredibly friendly and helps me with so much here in Japan. As it is with a lot of Japanese families I don’t see Mr. Fujino very often, but on my first night he welcomed me into his home and gave me some traditional Japanese food in Onigiri (Rice Balls) and Ocha (Green Tea).

I’ve been in Japan for five weeks and the language is coming to me slowly but surely with the help of a lot of study. The students at Nigawa Gakuin are really friendly and are always inviting me to sit with them at lunchtimes or to come with them after school to their clubs so I don’t feel lonely despite being away from home. Japanese school is very different to Australian school in that it is much more regimented and you spend a lot more time on the grounds after school and even on weekends. Despite this, I’m having a great time over here and I’m really happy to be able to represent Padua this way.

Please keep 10 March free for The Welcome Function which will be held at La Foresta (the area with the fountain, located behind the office). This is a social gathering for all parents, especially parents new to the college and is a great opportunity to mingle over drinks and nibbles.

Looking forward to meeting many of you during the year.

CONFIDENCE ! IN GOJU KAI KARATE …

Courtesy, Respect and Good Behaviour

Improve concentration, self discipline, self esteem, social skills, self defence and improve self confidence

Those who attend AGKK are destined to succeed in life because we teach them about goals, self esteem, discipline and persistence at an early age.

More importantly, the traits attendees learn in our unique program will pay off for the rest of their lives.

Australian Goju Kai Karate AGKK offers classes to all ages that would like to attend at a location near you.

These martial art classes are aimed at teaching respect, responsible, legal and safe behaviour, the ability to avoid negative peer pressure and self defence.

We instill confidence, honesty, and active positive participation in our junior members and stress the importance of education and how to be a leader, not a follower.

AGKK students honor the Japanese system of etiquette and is reflected in their WORDS, ACTIONS and whole CHARACTER our School club is so much more than just punching and kicking.

Please contact me if you would like to discuss anything or would like assistance from me.
