Dear Parents

Last week, the Rector of the College, Robert Out, wrote to all families to let them know that he was about to undergo a medical procedure and would, as a result, be taking some sick leave. I am pleased to report that the medical procedure was a success, that the cancerous kidney was safely removed and that Robert is already out of hospital and back at home. On behalf of the Padua Community, I wish Bob the best over the next few weeks as he recovers from his operation.

Strategic planning is undertaken by organizations so that they can clearly define their direction or strategy in coming years. At Padua College, our latest Strategic Plan can be found in the “Padua, As One in 2016” document which was made available to all families and can be found on the website. In keeping with the document and associated with the Franciscan and Catholic nature of the school, we are about to ask all members of our Community to partake in a survey. In the next few weeks, all students, teachers and parents will be asked to participate in the “Leuven Project” by answering a series of questions related to the Catholic nature of our school. Parents will be sent a link to the survey and I ask you all to take the time to respond. More information related to the project is available later in this Bulletin. Results of the survey will be made available to the Community later on in the year.

Also related to our process of strategic planning, the College has recently undertaken a survey related to iPad usage. The results of the survey will be used as one consideration when assessing the IT services at Padua College. An overview of the responses can be found on the College website under the Technology tab and a direct link to the survey can be found in the Teaching and Learning Section in this Bulletin.

Lastly, the two House Swimming Carnivals were held last week at a new venue, the Centenary Pool. Both days were very well attended and all the boys showed great school and House spirit. Congratulations go to Kirby House in the Year 9-12 Carnival and to Mitchell House for Years 5-8 and overall winner. Special thanks go to our Sports team Mr Maguire, Mr Guilfoyle and Mr Speranza for all their hard work in organizing two very successful days.

All the best for the next two weeks.

There are rumblings in Rome! Pope Francis has many of the conservatives in a flutter. He is manifestly seeking to place the papacy and the church it heads on a different course from the one it had followed under Pope John Paul II and Benedict XVI.

By word and example he is modelling a style of leadership that is personal without being autocratic, that encourages outspokenness, dialogue, consultation and local responsibility and that directs us to the needs of suffering humanity. His passionate concern for the poor, which underlays the denunciation in Evangelii Gaudium of an "economics of exclusion" - which outrages Catholic conservatives - lies at the heart of what Pope Francis believes the church is called to be.

It is unlikely that his pontificate will last long - he is an old man with one functioning lung. But he is quietly putting in place men who share his vision. With his appointment of twenty new Cardinals, it is clear that he intends to empower the "church at the peripheries", promoting pastoral bishops who, in the Pope's own phrase "smell of the sheep," while simultaneously frustrating the clerical careerism he loathes, by refusing the "automatic" promotion associated with more prestigious Archdioceses like Venice, Chicago, and Turin.

Francis's humility and spontaneity have won the plaudits and praise of the world's press, but his style has not delighted everyone in the organization he heads. The cultural warriors under Papas Wojtyla and Ratzinger do not warm to the pope's loathing of clericalism and disregard of liturgical convention. These conservatives find consolation in the old Roman saying, "Popes come and go, but the Curia is immortal."

**SACRAMENTS OF INITIATION**

Any boy wishing to be Baptised and/or receive First Holy Communion should contact Fr. John at jboyd-boland@padua.qld.edu.au, phone: 38579999, or at the Pastoral Care Centre, to register his interest.

**This must be done by Tuesday 31st March.**

Instructions will take place in Term 2, and the Liturgy will be celebrated towards the end of Term 3.

Those wanting to receive the Sacrament of Confirmation will need to contact their Parish Priest.
Fundamental to Catholic schools like Padua is the notion of Service.

Drawing on the example of Jesus who said, "I have come to serve and not be served", we follow His example, showing empathy, compassion, a sense of justice, mercy, and sensitivity to everyone, especially those in need.

This starts in our service of one another in the Pastoral Care class, then in our House group and on a larger scale in our involvement to the wider community - The Red Cross, St Vincent de Paul Society, The Little Kings Movement, Project Compassion, our involvement with St Francis School, Timor Leste and the Cancer Council.

As Christians, Service is not one bullet point among others - it is the overarching aim of everything we do. Service is the answer to the old age question of "What is the meaning of life?" It is to love, care and be of service to others; that is how we love God and love our neighbour.

Throughout its history the Church has been a church of Service, that is why it began schools, established Hospitals, Orphanages and Leprosariums. In all of this we are inspired by that dramatic act of Jesus at the Last Supper when he bent down and in service washed His disciples' feet.

**SCHOOL FEES**

Padua College Annual Fee Accounts were emailed on the 11th February, 2015. If you have not received your account, please contact the College Accounts Office to check your email address details.” Please also check your “Junk Mail”. As we processed account emails in year levels, your computer may have detected it as a bulk email and put in your “Junk Mail” in error.
Well done to the Year 7 boys who are mirroring the Year 8 induction camp this week at Amaroo. Thankfully the rain has held out and the boys have been able to enjoy all aspects of the program.

On Thursday March 5, the Associated Independent Colleges (AIC) will hold their annual Swimming Championships at the Sleeman Sports Complex (Chandler). The championships are the culmination of the AIC Swimming program, with schools sending their best swimmers to compete on the day. In a first for the AIC, this year competitors from Years 5-12 will compete on the same day at the same venue.

In addition to the participating swimmers, each College sends a supporter group to the event. This year, Padua College will be sending all students from years 5, 9 and 12. This is a compulsory school day for all students.

Further details will be outlined in a forthcoming email to families this week.

I wish to remind all families that the only school bags that students are permitted to bring to school are the Brown College bags sold at the uniform shop. Individual bags and other tour/team bags are not permitted. A check of all students’ appearance, uniform and bags was done on Monday morning during PC time. This process will be repeated next Monday. All boys will be expected to have the appropriate bag as well as meet standard uniform and appearance expectations.
Great to see:

- Last Friday’s Practice match allowed the Year -12 boys to amplify the Nest in La Cordelle!
- Amazing power in the whole school war cries on the completion of the Junior and Senior Swimming Carnivals.
- PC Eagles seen floating about the campus helping those in need and chatting to the younger students.
- Looking forward to Year 5 war cry practice this week!
- Also looking forward to the House war cry battle where each house does their best rendition of individual school war cries on Spirit Assembly.

STUDENT MOTTO 2015: One Spirit, One Purpose, One Padua

The College will now sell no second hand clothing except for blazers on behalf of parents.
We remind parents that all blazers must be dry cleaned prior to forwarding to the Uniform Shop.
Dear Padua Families

Week Five of school and the pace of life at Padua hasn’t slowed down yet this term! We are now well and truly in the Season of Lent, our preparation for Easter. ..

Last Friday we collected just over $2,000 for the Little Kings Collection with our Term 1 Casual Dress Day. I have asked that all Collector’s kits for Little Kings be returned to your son’s House Guardian by the end of this week. I particularly ask parents to assist me in getting your son to do this. We would like to make a presentation of this year’s total to the Little Kings Organisation at next fortnight’s College assembly.

Greccio Campus will be holding a sausage sizzle soon as their way of fundraising for this service.

Since the Year 12 Camp, the Year 12 students to email to Mrs Healy shealy@padua.qld.edu.au their baby and Year 1 photo. I am disappointed to say that a number of students are still to do this! Can I ask for your assistance, parents, in checking that your son in Year 12 has done this or will do it in front of you there and then? These photos play an important role in the Graduation Ceremonies later in the year.

Each family and student has now been emailed on two separate occasions an invitation to this year’s Kirby House Eucharist. The House Eucharist is scheduled for Wednesday 4 March commencing at 7.00 pm in the Little Flower Church, Kedron. All members of the House are expected to attend. There will be a supper outside La Cordelle afterwards for which we ask you to bring along a plate of food to share.

Years 5 – 11 boys are asked to wear their summer uniform with tie. Senior students are asked to wear their full winter uniform.

As part of our current Strategic Directions document ‘As One in 2016’ Padua has committed itself to undertaking a major review of its religious profile and identity this year. This review will be done in collaboration with the Brisbane Catholic Education Office. It is a whole school approach that will involve every member (staff, students, parents and Board Members) of the community completing an on-line survey, a skype interview with the research team from Leuven Catholic University, collection of data (including statistics, photographs and other related material).

Look out for the flyer in this Bulletin about the Project. More details will be sent home for completion of the on-line survey in the next fortnight.

Michael O’Brien
Vice Rector Formation
As you may know every two years Padua College staff conducts a Pilgrimage to the Franciscan shrines of Italy. We are inviting your sons (who in 2016 would be in Years 9 to 12) to join us on our Pilgrimage during the Third Term holidays 2016.

The basic plan is a flight from Brisbane to Rome via Dubai. Three days in Rome, a day in the Rieti Valley (site of Greccio, and La Foresta) three days in Assisi, where we celebrate the Feast of Saint Francis (4 October) two days each in Florence, Padua, and Venice, from where we fly back to Brisbane.

The purpose of the Pilgrimage is to enrich the boys in the Franciscan heritage and tradition by following in the footsteps of St Francis and St Clare, to introduce them to the rich Italian culture of Imperial Rome and the later Renaissance. It is an opportunity for the boys to get to know one another, and to open them to the culinary delights of Italy.

If you are interested and would like further information or to be placed on a list please email myself, Michael O’Brien (mobrien@padua.qld.edu.au), or Fr John (jboydboland@padua.qld.edu.au).

Trekset, a travel company based in Melbourne, assists us with the planning and organisation of the tour and have been excellent in our last three pilgrimages. An initial information evening will be held later this term to give prospective pilgrims and their families further details.

Frequently Asked Questions

One of the pushes by the Teaching and Learning Team in recent times has been to ensure that the College Website provides easy to access information for parents when it comes to Teaching and Learning. Just last week, a Frequently Asked Questions page was launched on the website. It lists a range of questions that parents may need answered and by clicking on the question, you are linked directly to the answer. The FAQ page can be found at the following link: http://www.padua.qld.edu.au/teaching-and-learning/curriculum/faq/

iPad Survey

As part of an ongoing review of IT services at Padua College, an iPad usage survey was sent to students, parents and staff in November of 2014. The results of those surveys have now been put together in a readable form and are available for perusal on the College Website. I would like to thank everyone who participated in this survey. The iPad Survey Results Overview can be found at: http://www.padua.qld.edu.au/technology/technology-at-padua/ipad-survey-overview/

Parent Information Nights

Parent Information nights for parents with boys in Years 5, 6, 7, 8, and 12 have taken place in the last few weeks and I would like to thank all of those parents who both attended and who sent their apologies. These evenings are a great way to find out more about what is happening in your son’s life at school and more importantly, are a great way to support your sons with their journey at Padua. Year 8 and Year 10 will have Subject Selection Parent Evenings in Term 3. These are designed to give parents the information they need to assist their sons with the subject selection process.

Recognition for Outstanding Achievement

At our College Assembly on Thursday February 12, I announced the Academic Award winners from Semester 2, 2014, along with the OP 1-5 recipients from our 2014 cohort. A full list of Academic Award Winners and OP 1-5 recipients can be found on the College Website at the following link: http://www.padua.qld.edu.au/teaching-and-learning/assessment-and-academic-achievements/academic-achievements/

A special thanks must go to our guest speaker, Old Boy, Eamon Conway who shared his experiences with the assembly. Upon graduating from Padua in 2009, Eamon was accepted into the Dean's Scholars accelerated program for undergraduate mathematics at QUT, in which he achieved First Class honours. He is now continuing his study and is presently doing a PhD in mathematically modelling the transport of particles in nanodevices. Along the way, he has received recognition for his work in the form of an Australian...
postgraduate award, and numerous prizes at conferences. While at Padua, Eamon was an accomplished musician, captain of the Firsts Football Team and one of the top academics in his cohort. Eamon spoke about being open to new ideas and being willing to explore areas that you may not have considered previously.

The criteria for semester Academic Awards is as follows:

- Years 5 – 8 require at least 6 A grades out of a total of 9 subjects
- Years 9 and 10 require at least 5 A grades out of a total of 8 subjects
- Years 11 and 12 require at least 4 A grades out of a total of 7 subjects

Congratulations must go to the following boys for receiving academic awards:

Year 6
Harry Abbott, Charles Bergman, James Cartwright, Finn Cox, Damon Evans, Declan McGrath, Harrison Mitic, Rhys Neuendorf, Luca Norman, Joshua Pan, Hamish Reid, Leo Rice, Ethan Russell, Matt Taylor

Year 7

Year 8
Nicholas Kostellar, Joshua McBry, Lachlan McKenzie, Harry Scovell-Golding, Samuel Smith, Daniel Terrible

Year 9
Jewel Ajimon, Juan Joseph, Ryan King, Noah Magnus, Matteo Marini, Luka O’Brien, Daniel Paddison, Flynn Pearman, Albin Shauryamackal

Year 10
Ronan Brady, Daniel Caulfield, Emil Chandran, Dominic Cotter, Patrick Grohovas, Patrick Hopsick, Daniel Howard, Nicholas Illi, Robert Nicholas Kerruish, Everton Khan, Alexander Lombardo, Kyle McLennan, Daniel Mirfin, Joshua Morris, Jakob Pelusi, Harry Sweby, Sebastian Waloszek, Ashley Whyte, Christopher Wolfe

Year 11

Year 12:
Finbar Delbridge, Thomas Fall, Karl Garufi, Lawrence Garufi, Michael Hinds, Michael O'Shea, Jack Peoples
As we hit the middle of the term (yes, already) and the draft, check and assessment dates begin to roll around, now would be a great time to talk to your son about how he has linked his Blackboard assessment calendar to his iPad. We have just about completed all year levels. If you son was absent when his R & T class completed this (Year 5-9) or when his year level completed this as an activity (Year 10-12), please ask him to seek assistance from either myself or his R & T teacher. For those of you who wish to link your son’s calendar to your email, I have included an outline of these instructions with my article. Alternatively there is a video showing how to do this on the College website -http://padua.qld.edu.au/technology/resources/support-sheets/ Blackboard Calendar Information. Please be aware these instructions are aimed at Outlook email accounts but can be linked to any email account with a calendar function.

This week , teachers have been provided with some ‘how to’ sheets for the classroom. The aim of this is to make available in every room basic instructions should your son have issues with the basics of connecting to technology. Hopefully this will prove successful in encouraging boys to become problem solvers when it comes to technology! These information sheets mirror those available on the website under Technology /Support sheets should your son require this information when he is at home.

Recently there have been a number of enquiries regarding replacement devices and insurance. Please be aware that this information is available on the Website – we do not allow the boys to have iPad minis at the College. They do not provide a large enough screen for the range of activities that the devices are used for. Also, please be aware that the College no longer offers insurance on the iPads – please contact your home insurer to arrange this.

Year 6 students will be taking part in the eSmart Digital Licence program towards the end of this term. This has been offered free of charge to all Year 6 students by Google in conjunction with the Alannah and Madeline Foundation. The program comprises of 8 units which students need to complete with an 80% pass rate to earn their Digital Driver’s Licence (certificate). The modules has been developed with the input of child psychologists, cyber bullying experts, technologists and educators have been developed with the input of child psychologists, cyber bullying experts, technologists and educators and can be purchased by parents ($30 per child) to work with their children on being educated users of technology in the home environment. If you are interested in having a look at the program or enrolling other siblings who are not in Year 6 the link is https://www.digitallicence.com.au/about/

My interesting article for this Bulletin is a recent article from The Age about the digital footprints our young (and ourselves) are leaving www.theage.com.au/national/education/tread-very-carefully--youre-leaving-digital-footprints-20150222-13g354.html

Don’t let this be you…make sure your technology works before your assessment is due!
As we approach the half-way mark of the term classrooms are gearing up for assessment. The recent wet weather saw AIC Sport versus Marist College and our weekly assembly cancelled. Thanks to Mr Yeo’s class 5DY who had prepared their virtue of Courage. We turn this week to the virtue of Service and look forward to Mr Johns’ and 6MJ sharing their insight.

We feel this is a good time to reflect on the importance of organisation as this is an important tool to be equipped with. Below is an extract from an article released by NSW Education and Communities.

Morning madness, late homework, yesterday’s half-eaten lunch sweating in the schoolbag – sound familiar? Just like adults, children cope much better if they can manage their time and their environment wisely.

At a glance

- Set up simple routines at home to make things more efficient.
- Talk to your kids regularly about planning how they use their time.
- Make a list of homework tasks and ask your child to tick each one off as they finish.
- Set a timer for working or playing on the computer if there are a few people wanting to use it.

Praise your child’s attempts to improve their organisation.

Congratulations to all young men and staff of Greccio Campus who so generously supported ‘Pancake Tuesday’ recently. Your efforts are greatly appreciated.

Uniforms are looking great and we encourage boys to continue this trend. Socks up, shirts in, College grey hat/spirit hat and polished black shoes. Haircuts are also an important part of the boys’ presentation. Some boys have been reminded this week that a haircut is due. In doing so please ensure that this adheres to the College’s hair policy as outlined in the student handbook.

Kind Regards,
Ty Casey and Christopher Webb

The Eagles have landed once again for the long year ahead of 2015. Ernie and the rest of the PC Eagles kicked off the year with a BBQ welcoming all the new year 5s and year 7s to the Assisi and Greccio Campuses. We had lots of fun getting to know some of the younger boys. Some were excited for the year ahead, and some were pretty nervous. We assured them they almost all of us senior students felt the same as them when we were in their shoes.

The Eagles have enjoyed several Greccio Campus visits so far this term. We've played some of everyone's favourite games like cricket, soccer, basketball and even Mario Kart on the Nintendo Wii! We have seen some very skilled players and drivers. I hope for another successful year of bonding between the PC Eagles and the primary boys.

It has been a very busy start to the year for all students of Padua, however, for 3 young individuals of Padua and members of the mighty Grigg House a sensational start as well.

Alex Barnes in Year 11, has recently been awarded a scholarship to be a part of the 'Queensland Show Choir'. The Queensland Show Choir is Queensland’s leading performance choir catering for performers of all ages. He was also awarded a scholarship to be a part of Vivace, which is a group of teenagers and young adults who focus on vocal and choreography performance. On top of all this, Alex has also won a lead role in the Padua and Musical 'Hairspray' which will be staged at the end of May. Well done Alex on a very busy and successful start to the year.

Danny Heenan of year 9, recently attended the state Oztag carnival and was awarded the Most Valuable Player Award for the Under 14s in Queensland and then was also selected for the Queensland Oztag team. Danny will be playing in the "State of Origin" at Kawana in May (Queensland versus New South Wales) - his first (of hopefully many more) Queensland jerseys! Well done Danny.

Clayton Sefo in Year 11, recently was selected in the Australian Youth Boys Volleyball team travelling to Thailand to compete in the Thailand Junior National Volleyball Championships in April with Volleyball Australia. A sensational outcome Clayton, well done to you after many years of hard work.

P&F Welcome Evening – 10 March 2015

Just a reminder to all families that the P&F Welcome evening is fast approaching. This invitation is extended to all Padua families and is a great opportunity to come along and meet new people and catch up with old friends over drinks and nibbles in a lovely relaxed environment.

The evening is being held on Tuesday 10 March commencing at 7.30pm at La Foresta. For catering purposes, please RSVP by 3 March via the online school events calendar on the Padua Website.

On behalf of the P&F Committee, we look forward to meeting many of you at this event.

Did You Know?

Did you know that the P&F provide financial contributions to the College to assist with enhancing the facilities of the College?

As Bob Out mentioned in Bulletin #2, there have been some upgrade works going on around the entrance to the playing fields at Banyo. Financially the P&F were able to provide support to the College with a financial commitment of more than $60,000 for the entry upgrade into the Banyo sporting fields as well as the electronic notice boards around school.

A Safety Message from the P&F
The P&F School Disco is always a fun and exciting night and to ensure that everyone has a good time we ask parents to remind children about staying safe with these rules:
• No running around inside the Hall or outside on the terrace
• Stay in the hall or terrace area during the disco
• Children must be collected by parents from the Hall

The P&F and our volunteer supervisors thank the parents in advance for their support. Looking forward to seeing you on the night!

*Wristbands will be sold to Padua students only on the night.

As highlighted in United Nations report, Women’s and Children’s Rights: Making the Connection, the lives of women and children are tightly entwined, as are their rights. Advocating for women’s rights has been essential to advancing the situation of women worldwide. The same holds true for the promotion of children’s rights and improvements in their ability to survive and thrive. However, if the rights of women and children are considered together, they can reinforce each other and make mutually supportive demands on society.

The event presents a valuable professional development opportunity for police, social workers, educators, youth workers, chaplains, guidance officers, parents, carers, grandparents and anyone with an interest in keeping children safe.
Worldwide Marriage Encounter: A weekend away for married couples in peaceful, picturesque surroundings – away from the distractions of everyday living. Take time out of your busy schedule, to invest in your most precious asset... your Marriage! This is a unique opportunity to recharge your relationship batteries, refocus on each other and fall in love all over again!

CONFIDENCE ! IN GOJU KAI KARATE …

_Courtesy, Respect and Good Behaviour_

**Improve concentration, self discipline, self esteem, social skills, self defence and improve self confidence**

Those who attend AGKK are destined to succeed in life because we teach them about goals, self esteem, discipline and persistence at an early age.

More importantly, the traits attendees learn in our unique program will pay off for the rest of their lives.

**Australian Goju Kai Karate AGKK** offers classes to all ages that would like to attend at a location near you.

These martial art classes are aimed at teaching respect, responsible, legal and safe behaviour, the ability to avoid negative peer pressure and self defence.

We instill confidence, honesty, and active positive participation in our junior members and stress the importance of education and how to be a leader, not a follower.

AGKK students honor the Japanese system of etiquette and is reflected in their WORDS, ACTIONS and whole CHARACTER our School club is so much more than just punching and kicking.

Please contact me if you would like to discuss anything or would like assistance from me.

THE UNIVERSITY OF QUEENSLAND
AUSTRALIA

The main aim of Scouting is education through doing activities - lots of it. Children get to do things they've never done before, learn bushcraft, leadership and life skills.

Our Group has vacancies across sections (joys, Cubs and Scouts) for boys and girls, ages 6 to 15.

As a parent you can be involved too, making it an activity for the whole family!

Do your children want to learn about:
- camping, sailing, hiking, abseiling or rock climbing?
- orienteering, construction or knot tying?
- tint air skills or geocaching?
- open fire cooking, kayaking or learning about conservation?
- survival skills, astronomy or learning bush skills, tackle obstacle courses?
- making new friends and experiencing new challenges?
