

# TAFE at School On-Campus Programs 2017

## TAFE Queensland Brisbane and SkillsTech

TAFE Queensland Brisbane and SkillsTech are excited to advise that applications for our TAFE at School Programs for 2017 are now open!

### How does it work?

Students apply by going to: <https://tafeapply.com>

Students will need their USI number. To create a USI [click here](#).

Students will need to enter the application code for the TAFE that they wish to attend.

**TAFE Brisbane Application Code: TQB1701**

**TAFE SkillsTech Application Code: TQST1701**

Once a student applies, an email will be sent back to the school, for your approval. When you receive the email, it will include your login and password to the Pathways system, for your convenience.

### When do applications close?

TAFE Queensland SkillsTech will start to offer places to students after the September/October holidays so it is strongly recommended that students submit their application prior to the end of Term 3. As always, applications will remain open until courses commence in February.

TAFE Queensland Brisbane programs will remain open for application until the 6th of February 2017 but it is recommended that students apply as soon as possible to avoid disappointment.

Feel free to forward this email to your students, so that they know how to apply.

As always, if you have any questions or concerns, please contact our TAFE at School Teams on:
