

Please find below information regarding **other** potential TAFE course opportunities for your son in 2018. Each of the courses in the "TAFE at Schools Guide" link below are run one day per week for the duration of the course. However, if you prefer a course in the School Guide that is not offered at Padua, you will be required to apply for that course before the September School Holidays. However, if you miss this deadline we are able to negotiate with TAFE if it is possible to enrol into a course after the September deadline.

How does it work?

Students apply by going to: <https://tafeapply.com/>

Students will need their USI number. To create a USI go to: <https://www.usi.gov.au/students/create-your-usi>

Students will need to enter the application code for the TAFE that they wish to attend.

TAFE SkillsTech Application Code: TQST1801

Once a student applies, an email will be sent back to the school, for approval. When you receive the email, it will include your login and password to the Pathways system, for your convenience.

When do applications close?

TAFE Queensland SkillsTech will start to offer places to students after the September/October holidays so it is strongly recommended that students submit their application prior to the end of Term 3. As always, applications will remain open until courses commence in February.

TAFE Queensland Brisbane programs will remain open for application until the 5th of February 2018 but it is recommended that students apply as soon as possible to avoid disappointment.

Here's the TAFE at Schools Guide link <http://tafeskillstech.edu.au/resources/pdf/study-with-us/TQ-2018-TAFE-at-school-guide-web.pdf>
