THE EAGLE

LEARNING BEYOND THE BELL

The Learning Nest Open on Saturdays in Term 4

In Term 4, the Learning Nest will be open on Saturday mornings from 9am to 12 midday, from Week 4. This is a great opportunity to spend some quiet time catching up on work from the week, preparing for the upcoming week or working on assessment in a supported environment.

Assessment Guides

Assessment Guides for Term 4 will be uploaded to the College website early in Week 2. Please be reminded that these are a guide only and that Blackboard is always the most up to date calendar for assessment. These are a great tool to help support your son with his organization and to give the family an overview of his assessment load for the term. The link to the Assessment Guide is <http://www.padua.qld.edu.au/teaching-and-learning/assessment-and-academic-achievements/assessment-overview/>

Afternoon Tea

Please remind your son that we offer afternoon tea every afternoon at the start of the Learning Nest just outside the Assisi Library. For \$2.50, students receive a biscuit, savoury snack and a popper. Your son will require his Flexi Schools card or number to purchase afternoon tea.

*Thank you for your ongoing support of the Learning Nest.
Mr. Jason Pacey – Vice Rector Teaching and Learning*

THE EAGLE

LEARNING BEYOND THE BELL

Our Old Boy Tutors...

Emile Dawalibi

Emile graduated from Padua in 2014. He is currently in his third year of Engineering and Science studies at QUT. Emile balances a part-time job at a fruit shop and plays futsal and dodgeball. He is happy to return to Padua to help anyone that needs assistance in mathematics, science and English.

Mitchell Langford

Mitchell is a third-year Bachelor of Laws (Honours)/Business (Economics) student. He enjoys playing soccer and tennis and spends his time as a legal volunteer and tennis coach. Mitchell's strengths lie in the areas of Legal advocacy and research, oral presentations, modern history, English, economics, graphics and 8-10 mathematics.

Shane Havers

Shane is in his third year of a Bachelor of Computer and Software Engineering studying at QUT. He enjoys camping, reading, computer games and running. Mathematics, physics and IPT are his areas of expertise.

Jack Taylor

A 2014 Padua College alumni, Jack is currently studying Civil Engineering and International Business at QUT. Padua gave him the skills, knowledge, and confidence to strive for academic excellence and he is very excited to assist. Outside of university studies he enjoys running, cricket and hanging out with friends, most of whom graduated from Padua College. His favourite subjects were mathematics, physics, graphics, English and history.

James Weston

James graduated from Padua in 2014. He is loving his third year of studies in Bachelor of Speech Pathology (Honours) at UQ. At Padua, he served as College Vice Captain, participated in a number of co-curricular activities and achieved an OP 3. His hobbies include playing social sport, listening to music, travelling and reading. James is reliable, trustworthy and has a good general knowledge base and would be suited to mathematics A, English, biology and modern history.

THE EAGLE

LEARNING BEYOND THE BELL

Zeke Ahern

As a QUT third year Bachelor of Mathematics student, Zeke, whilst at Padua, was the Chess Captain, FCIP student, a QDU debater and played rugby. Zeke would be of assistance for all levels of mathematics.

Jeff Zhou

Jeff is at QUT in his third year of Bachelor of Engineering. He enjoyed playing football at Padua and was involved in Rosie's Street Van, ASDC and achieved an OP 1. Jeff's strengths are in physics, chemistry and all levels of mathematics.

Tom de Amicis

Tom is studying a Bachelor of Speech Pathology at UQ. During his senior year at Padua, Tom studied mathematics B & C, physics, accounting, English and SOR. His academic strengths include report/essay writing, mathematics and science.

Hayden Wall

A 2014 Old Boy of Padua, Hayden is currently studying a Bachelor of Business (Accountancy) at QUT. An academic award recipient every year, Hayden was Dux of Accounting in both years 11 and 12, and this steered his career path. Hayden's hobbies include rugby league, soccer and social futsal. His tutoring areas of expertise are years 8 – 10 mathematics, business studies and accounting.
