## FUN FACT

Did you know we have 3 entities that operate from the Padua Pool?

### Padua Swim Squad and Learn to Swim (LTS)

We provide Squad/Master sessions and Learn to Swim lessons, for before and after school and holiday periods. We are open to the public. Padua Swim has 3 Swim Coaches and a growing team of Swim Australia Teacher instructors. If your child wishes to swim for fitness, stroke correction, competition, or simply for fun, our staff bring a unique flare that contributes to your swimmers' journey in the pool.

We have 5 Learn to Swim levels and 4 Squad levels where we focus on the swimmer's strength, technique and stamina.

For more information contact our Aquatic Coordinator at [swim@padua.qld.edu.au](mailto:swim@padua.qld.edu.au)

### Padua College AIC Swimming Team

The Padua College Swimming Team competes at AIC school competitions and trains under the guidance of Head Swim Coach, Kirk Taylor, and his team. Information and registration is through the Padua App. Padua College Swimming Team is for Padua students only and is separate to Padua Swim Squad sessions.

For more information, contact our Head Swim Coach Kirk Taylor at [ktaylor@padua.qld.edu.au](mailto:ktaylor@padua.qld.edu.au)

### United Swimming Club

Swim Club is open to the public and offers Friday night swimming every fortnight. You do not have to be a Padua Student, nor be enrolled with Padua Swim, everybody is welcome at United Swimming Club. It is friendly, it is family, it is community. For information regarding registration, contact [unitedswimclub@gmail.com](mailto:unitedswimclub@gmail.com)

United Swimming Club is also an avenue to competitive swimming. This is outside of school competitions and additional to Friday night. If your swimmer wants to compete in the sport of swimming, please contact the club's external race secretary, Craig Baldwin at [winbald@optusnet.com.au](mailto:winbald@optusnet.com.au)

# THE PADUA POOL FOR PADUA STUDENTS AND THE PUBLIC

The pool is for Padua students and the public.

It is a condition of entry that all persons swimming in our Squad and Learn to Swim programs, must enrol via [swim@padua.qld.edu.au](mailto:swim@padua.qld.edu.au) and all persons trialing, or training for AIC, must register via the Padua App.

Caps are to be worn whilst swimming in any Learn to Swim class or Squad Session. Caps will be provided to all Squad and Learn to Swim students.

These conditions of entry are non-negotiable.

The practice of Padua College students swimming without the above, will no longer be accepted.

We ask for enrolment or registration to ensure we adhere to legal ratios of students to Coaches, and associated safety requirements and regulations.

It is crucial, for all swimmers of Padua Swim, to inform the Aquatic Coordinator of all necessary emergency contact information and student medical information, which may affect their swimming ability and safety.
